Councilman Thomas Mattingly

LEGAL NOTICE: The Clerk read the legal notice, which was duly published in the Warwick Valley Dispatch on August 5, 2026.

(Copy of this legal notices are printed at the end of these minutes.)

SUPERVISOR DWYER – The draft local law and local law number six has been available on the town's website since July 22nd. We are going to keep this public hearing open, not only through this meeting, but until our next meeting, which will be scheduled on September 10th before we open it up to the public. Is there any comment from the town board on this local law? Okay, any questions or comments from the public on local law number six? This is our towing policy. Basically, what it comes down to is we have a specific aspect of our town code that relates to towing, heavy duty tows, so tractor trailer, fire truck, or any large truck that needs a tow from either an emergency scene or some other situation where it's abandoned on the roadway. We have to call out to qualified towing companies and the current town code says that we must use towing companies located within the Town of Warwick. We currently have no large tow trucks available that exist in the Town of Warwick. So, we are going to modify our town code to allow us to go outside of the Town of Warwick to secure large tow trucks that can remove large vehicles from our Town of Warwick roadways. Is that correct, Chief?

POLICE CHIEF RADER – Yes.

SUPERVISOR DWYER - Okay. So again, that's available on our town website. We have received some feedback on this, so we are going to make minor modifications and as those modifications are done, the updates will be reflected on the town's website so that the public can see changes that are being made as they're made. If there are no more comments from the public on that, we will keep the public hearing open until our September 10th meeting. If you would like to send in comments on this, you can email the Town Clerk at clerk@townofwarwickny.gov and give us your feedback or insight.

There were no public comments for or against this public hearing from the Town Board or the public.

MOTION TO ADJOURN THE PUBLIC HEARING: Motion Supervisor Dwyer, seconded Councilman Mattingly that the public hearing be adjourned.

Motion Carried (5 ayes, 0 nays)
