

September 10, 2026

The regular meeting of the Town Board of the Town of Warwick was held on Thursday, September 10, 2026 at the Town Hall, 132 Kings Highway, Town of Warwick. Supervisor Dwyer called the meeting to order at 7:30 p.m.

ATTENDANCE: Supervisor Jesse Dwyer
Councilman Russell Kowal
Councilman Floyd DeAngelo
Councilman Kevin Shuback
Councilman Thomas Mattingly

DPW Commissioner, Benjamin Astorino
DPW Deputy Commissioner Water/Sewer, Matthew McPherson
Police Chief, John Rader

SUPERVISOR DWYER - I just want to mention that the public hearing for tonight's meeting has been cancelled. We're not having a public hearing on Introductory Local Law No. 7. We feel that the Affordable Housing Law is complete and ready to put to work. So, we will not have the public hearing.

SUPERVISOR DWYER - Thank you. Well, a quarter century has now passed since September 11, 2001. Twenty-five years is a significant passage of time, long enough that millions of Americans alive today have no memory of that day at all. Some were too young to understand what they were watching, while an entire generation had not yet been born. For them, September 11th is history. Something learned in school, seen through photographs and documentaries, or remembered during the ceremonies held each year across our country.

But here in Warwick, September 11th is far more than a chapter in a history book. The events of that day, and the sacrifices that followed in the years afterward, are woven into the story of our own community. The names belong to our neighbors, our friends, our teachers, our classmates, and our families.

And as we mark this 25th anniversary, those of us who remember have an important responsibility to make sure that generations that follow understand just how close to home this history truly is. Our community lost neighbors, friends, and family members that day. Among them were firefighters who left their homes here in Warwick and went to work that morning never knowing they would ever be called upon to make the ultimate sacrifice.

Linda Gronlund of Greenwood Lake was aboard Flight 93 and became part of one of the most extraordinary acts of courage in American history when passengers fought back against the hijackers. Warwick's connections to September 11th did not end when the smoke cleared over Lower Manhattan. In the years that followed, young men and women from our communities across the entire nation answered the call to serve.

Some of them were our own. Marine Lance Corporal Scott Lynch, someone I knew growing up in Greenwood Lake and played Little League Baseball with, was killed while serving our country in Afghanistan. First Lieutenant Lou Allen, my high school teacher, was killed while serving in Iraq.

For me, those names make the history deeply personal. But every one of us in Warwick is connected in some way to the sacrifices that began on that September morning. Through a neighbor, a classmate, a teacher, a firefighter, a police officer, a member of our military, or a family forever changed by loss.

That is the story we have a responsibility to pass along. We should teach younger generations about the horror of September 11th, but we should also tell them what happened on September 12th. Tell them about firefighters, police officers, EMTs, and ordinary citizens who ran toward danger to help strangers.

Tell them about American flags hanging from homes, businesses, and overpasses throughout Warwick and across the country. Tell them about neighbors checking on neighbors, communities gathering together, and a nation that, despite unimaginable grief, refused to be divided. For those who lived through it, that unity can sometimes feel difficult to describe today.

But it was never. It was always real. The phrase, though, never forget, can simply be a phrase we repeat at a ceremony once a year.

It is a responsibility. As the number of Americans with firsthand memories of September 11th inevitably grows smaller, those memories must become stories, and those stories must be passed from one generation to the next. Twenty-five years later, let us remember those we lost on September 11th, those we lost in the years that followed, and the families who continue to carry their memories.

And perhaps in remembering how our nation responded during one of the darkest moments, we can also remember something we desperately need today, how much stronger we are when we stand together. In Warwick tomorrow, there will be remembrance ceremonies beginning in Greenwood Lake at the Greenwood Lake Middle School, the Greenwood Lake Elementary School, and then at 6:00 p.m., a community remembrance will occur at Veterans Memorial Park at 6:00 p.m., and then at the Village of Florida Firemen's Memorial on Main Street, 7 p.m., and in the Village of Greenwood Lake at the Firehouse, also at 7:00 p.m. And we encourage everybody to come out and join us for these remembrance services.

ACCEPTANCE OF MINUTES:

1. Continued Public Hearing – August 13, 2026 - Introductory Local Law No. 5 of 2026 entitled “Amending Chapter 164 (zoning) to Regulate Battery Energy Storage Systems (BESS)”

Motion Supervisor Dwyer, seconded Councilman DeAngelo to accept the minutes as written from the Continued Public Hearing for Introductory Local Law No 5 of 2026 entitled “Amending Chapter 164 (zoning) to Regulate Battery Energy Storage Systems (BESS)” held on August 13, 2026.

Motion Carried (5 Ayes, 0 Nays)

2. Public Hearing – August 13, 2026 - Introductory Local Law No. 6 of 2026 – A Local Law Amending Chapter 154, Article IX of the Code entitled “Towing Policy”

Motion Supervisor Dwyer, seconded Councilman Mattingly to accept the minutes as written from the Public Hearing for Introductory Local Law No. 6 of 2026 A Local Law Amending Chapter 154, Article IX of the Code Entitled "Towing Policy" held on August 13, 2026
Motion Carried (5 Ayes, 0 Nays)

3. Regular Meeting – August 13, 2026

Motion Supervisor Dwyer, seconded Councilman DeAngelo to accept the minutes as written from the Regular Meeting held on August 13, 2026.
Motion Carried (5 Ayes, 0 Nays)

APPROVAL TO PAY AUDITED BILLS:

Motion Supervisor Dwyer, seconded Councilman Mattingly to pay the bills as audited.
Motion Carried (5 Ayes, 0 Nays)

CORRESPONDENCE:

JOHN G. PENNINGS – Owner, Pennings Farm. Standardized Notice Form for providing 30-Day Advance Notice to a Local Municipality of Community Board requesting the Town to waive the 30 days.

LORI MOSHER – Justice Clerk, Town of Warwick. Letter to the Town Board requesting authorization from town to apply for funding from the Justice Court Assistance Program.

TOWN OF GOSHEN – Notice received on August 14, 2026 regarding the Town of Goshen Zoning Law Section 97-94(A (5). Verizon Wireless proposes the installation and operation of an unmanned public utility/personal wireless service facility. A copy of the application package will be available for public inspection at the Town of Goshen. Questions concerning this proposed facility can also be directed to the applicant's representative, Scott P. Olson, Esq., who can be reached at (518) 438-9907 or solson@youngsommer.com

JOAN MAXWELL – Organizer, Repair Café. Email dated August 22, 2026 to the Clerk regarding the 10th Anniversary of the Repair café. It will take place at the Warwick Senior Center on September 19, 2026.

TYLER RADER – Account Clerk, Town of Warwick. Letter dated August 26, 2026 notifying the Comptroller of her intent to resign from her position as Account Clerk.

ANTHONY-ERIK ROE – Part-time Police Dispatcher, Town of Warwick. Letter dated August 18, 2026 notifying the Police Chief of his resignation.

JOHN RADER – Chief of Police, Town of Warwick. Letter to the Supervisor dated September 1, 2026 recommending hiring John R. Shannon as a Full-time police officer.

CATHY L. CONKLIN – Board of Assessment Review, Town of Warwick. Letter dated September 2, 2026 to the Town Board requesting to be re-appointed as a Board of Assessment Review member.

MARY ANN CERANO- Part time Dial a Bus Driver, Town of Warwick. Letter to the Transportation Supervisor regarding her resignation as a part-time bus driver.

JOHN RADER – Chief of Police, Town of Warwick. Letter dated September 8, 2026 requesting to amend resolution #2025-265 pertaining to Coli Construction Inc.

JOHN RADER – Chief of Police, Town of Warwick. Letter dated September 8, 2026 requesting to amend resolution #2026-180 pertaining to DeGraw & DeHaan Architects.

ANDREW WARREN – RA Senior Architect. MH Engineering. Letter dated *-28-2026 to the Town Board recommending Air Environmental Consulting LLC do the hazardous material testing for the Mountain Lake Park Water Filter Plant.

JASON BRAISER – Detective, Town of Warwick Police. Letter dated September 3, 2026 to the Police Chief regarding notification requirements for retirement.

JOHN RADER – Chief of Police, Town of Warwick. Memo dated September 10, 2026 to the Supervisor regarding an amendment to the Warwick Valley Central School District School Resource Officer Program.

BOSTON TEA PARTY REVOLUTIONARY EXPERIENCE – Sunday, September 13, 2026 11am – 11:45am at the Warwick Cemetery, 50 Oakland Ave. Warwick, NY 10990. Historians will discuss John Cowdrey, a participant in the Boston Tea Party buried in the Warwick Cemetery.

BOARD'S DISCUSSION ON CORRESPONDENCE: There were no discussions made on the correspondence.

VISITING OFFICIALS: There were no visiting elected officials present.

REPORTS OF BOARDS AND DEPARTMENT HEADS:

POLICE CHIEF JOHN RADER - Thank you, Mr. Supervisor. Just a quick reminder to the community that school is back in session, in addition to the ongoing road construction throughout the area, we're asking our residents to allow additional time for their commutes due to the increased school bus traffic and congestion.

We ask our residents to keep the Granger family in their thoughts following the passing of retired Village of Warwick Police Chief Russell Granger. Chief Granger served as the final police chief of the Village of Warwick prior to the consolidation of the Village and Town Police Departments in 1992.

On September 16th, our officers will be at Shop Rite from 11:00 a.m. to 12:00 p.m. bagging groceries as part of the store's recognition of September as National Hunger Action Month.

To kind of tail off on your opening comments, and they're very much appreciated about 9/11, we will have our officers participating in the services at the Greenwood Lake Schools

and also Warwick's Greenwood Lake and Florida's services tomorrow night. We thank all those organizations and the school district for keeping those services alive each year and not forgetting.

Finally, just an early reminder that Applefest is Sunday, October 4th, and we can expect a significant traffic congestion getting around the Village all day. That's all I have.

COMMISSIONER BENJAMIN ASTORINO – Okay, DPW has been busy. We did some drainage work on Vik Drive. Cleared up some issues up there.

We've had a few thunderstorms over this period. We cleaned up some storm damage, tree damage that we had for that.

Mowing the two road mowers around and about, taking care of that.

Potholes were out with the hot mix, our vehicle maintenance and emergency repairs. We are 95% through the entire fleet for the winter, so it's kudos to our mechanics for getting that ready. Road signs were out and replaced as needed.

We hauled three-quarter-inch stone to our stockpile. We did a curb box with the water department, and we were up at Mountain Lake Park replacing some fence up there for a few days. Questions?

SUPERVISOR DWYER - Are you going to move the weeds tomorrow? The weed pile?

COMMISSIONER BENJAMIN ASTORINO – Among other things. Correct, Sam? We got it.

SUPERVISOR DWYER - Sam is very happy about that.

COMMISSIONER BENJAMIN ASTORINO – We're good. We're going to be at Mountain Lake Park tomorrow. If anybody has any questions, you're welcome to join us. Heard all about it. By all means. Thanks, Sam. But, yeah, and also, we did some, as you all know, the South Street Bridge. We had some...

SUPERVISOR DWYER - I'm going to go into that on my report. Thank you.

COMMISSIONER BENJAMIN ASTORINO - I thought you would.

DEPARTMENT OF PUBLIC WORKS:

Drainage	Vik Dr.	Repair drainage on entire rd.
Tree Work	Town wide	Clean up storm damage
Mowing	Town wide	Mow roadsides
Pot Holes	Town wide	Fill with hot mix
Vehicle Maint.	As needed	
Emerg. REPAIRS	As needed	
Road Signs	Town wide	Replace as needed
Haul Material	Stockpile	Haul ¾' stone to stockpile
Water Dept.	Shepard Rd.	Repair curb box

PARKS DEPARTMENT

Union Corners Park	Open	Town
Mountain Lake Park	Open	Town
Mountain Lake Park Pool	CLOSED	Town
Town of Warwick Dog Park	Open	Town
Airport Road Park	Open	Town
Cascade Park	Open	Town
Wickham Woodland Park	Open	Town
Ben Winstanley Park (GWL)	Open	Village of Greenwood Lake
Thomas Morahan Waterfront Park	CLOSED	Village of Greenwood Lake

WATER & SEWER, DEPUTY COMMISSIONER MATT MCPHERSON – Good evening, everyone. I just wanted to touch quick on the Wickham Village water issue we've been experiencing. We respond to a lot of complaints of dirty water bowls over the course of the last two months, two and a half months. Hopefully we have the issue resolved this week with a well rehabilitation we did. We took every operational step we had available to us to resolve the issue, which includes flushing hydrants in the entire district, altering chemical dosages, adjusting pump speeds, and ultimately consulting engineers and a hydrogeologist as well as a well-drilling company to do a rehabilitation of the well. The problem with an issue like this is it's not something we're seeing on our end at the water plant. The effect of the well issue was happening mostly in the distribution system, so it was impacting the customers before we knew that the problem had not been solved. But again, with the well rehabilitation we did, we're hoping that the issue is sorted.

We excavated and fixed a broken curb box in Wickham Knolls. We made a couple minor repairs on the Greenwood Lake summer water. The summer water has about a month left. We aim to have it turned off October 15th for the season.

We have meter reading coming up again already. The guys will be out the third week of September in Wickham Village, Eurich Heights, and Bellvale, as well as the Tech Park, collecting water meter readings.

The guys continue to do daily plant maintenance and upkeep seven days a week and we completed and submitted all regulatory sampling and reporting for the month.

SUPERVISOR DWYER - That's it? Busy. It's a busy time of year.

RECREATION DIRECTOR, SAM WALTER – Thank you, Supervisor. So, the pools at Mountain Lake Park are now closed. We had a great summer. We had taught 154 children to swim this summer. That's a pretty big number of swimmers. We provided 94 children with swim safety lessons and swimming opportunities. We held free aqua fit swim classes for seniors, which they loved. Great reviews for the aqua fit and we averaged 128 residents per day at the pools, which is a lot of people to keep safe. So, we want to especially thank our lifeguards for doing a great job this summer. We did have three routine rescues this summer, which just means the lifeguards are really scanning and keeping an eye on the swimmers. So again, thanks to our lifeguards for doing a great job this summer.

The rest of the park is open for hiking, fishing, pickleball. And we have lots of events on weekends, so the parks will be busy on Saturdays with events for sure. If you haven't come out to the park, you should definitely come out and take a look. It's really beautiful. We want to especially thank our DPW crew for coming out and placing the fence. It needed it, and lots of residents have noticed how great it looks. So, thanks to the DPW. We also wanted to thank the Greenwood Lake DPW for coming out to the park and helping us out with the aquatic vegetation that was just kind of overgrown in the lake. So, thanks to them as well. And that's it for the report.

TOWN BOARD REPORTS:

COUNCILMAN DEANGELO - Okay, good evening. For the Warwick Valley Humane Society. They're excited to share their Tails Up Cat Cafe and Creative Lounge, celebrated one month ago its opening in Greenwood Lake. It's on the corner by the light in Greenwood Lake. They're happy to share 4 adoptions of their cats who have found their forever families.

September 20th is the annual Patti's Equestrian Ride to benefit our shelter. Register at Quiet Creek Stable's website. This annual memorial celebrates the life of Patti, whose devotion and love to her horses and our shelter.

The wish list can be found at wvhumane.org. with external links to Amazon and Chewy for their shelter pet needs. They're always in need of pate, canned cat food, paper towels, plates, laundry detergent, non-scented kitchen-sized 13-gallon garbage bags, dog biscuits medium and small size, bleach and simple green. That's all I have for the Humane Society.

For the Town of Warwick Friendly Neighbors, we have, in August, they had 35 neighbors assisted. The number of volunteers assisting those neighbors was 31. And the number of services was 288. That's all I have, sir.

COUNCILMAN KOWAL – Thank you. Recently, our town historian has informed me that there is a group from the Tea Party Museum in Boston, Massachusetts, coming down this Sunday, September 13th at 11:00 a.m., to mark the final resting place of John Cowdery at the Warwick Cemetery. John Cowdrey was a participant in the Boston Tea Party, and is one of six New Yorkers that they are going to recognize for that distinction this year. That's actually quite an honor, and it's quite rare that they even found who participated, because it was very difficult, because it was a criminal act. The East India Tea Company looked for many years to find out who destroyed their property. As far as I know, there's only one box of tea that survived. It was hidden in someone's attic for years. That's the only model and evidence they have of what the boxes look like, because after it was over, everybody denied they did it. So, it's kind of exciting to have someone who was recognized for doing that. He was also very active in the Revolutionary War, served with distinction with Benedict Arnold when he was on our side. So come out Sunday, only take about an hour to come out and honor him, and remember the sacrifices that our forefathers made to make us free. That's all I got.

COUNCILMAN MATTINGLY - Thank you, Supervisor. The 45th annual Warwick Historical Society Wine and Cheese event will be on Sunday, September 13th from 4:00

p.m. to 6:00 p.m. at the 1810 House, located at 80 Main Street in the Village of Warwick. Join the Warwick Historical Society for an elegant afternoon of wine, cheese, and the history at the historic 1810 House.

Taste of Warwick is next Tuesday, the 15th, from 6:00 p.m. to 9:00 p.m. at Warwick Valley Winery & Distillery. Friends, neighbors, visitors, and local culinary artisans come together at the Warwick Valley Winery and Distillery for an unforgettable evening filled with exceptional food, craft beverages, and the unmistakable energy of Warwick at its best. Tickets are available at warwickcc.org. That's the Warwick Valley Chamber of Commerce website.

In the Village of Florida, the Florida Chamber of Commerce presents Elvis Live, featuring Patrick Perrone, Saturday, September 19th from 5:00 p.m. to 8:00 p.m. at E.P. Jansen Nursery, 161 Glenmere Avenue in Florida. Tickets are \$30. Only 100 tickets will be sold. RSVP to Beth Fuller at contact@floridanychamber.com.

The Jimmy Sturr Road renaming dedication is on Saturday, September 26th at 1 p.m. We'll gather at Maple Avenue and Bridge Street intersection, where Maple Avenue will honorarily be renamed Jimmy Sturr Road.

An A.I. Breakfast Mixer at the Florida Public Library, September 29th at 9:00 a.m., presented by Peter Lyons Hall, catered by Fresh Fusion Smoothies, \$15 entry fee.

The Greenwood Lake Chamber will have Laketoberfest. Participating businesses in the village of Greenwood Lake will have a passport on Saturday, October 3rd, 2026 between 9:00 a.m. and 6:00 p.m. Participants who get their passport fully stamped will be eligible for prizes. The Greenwood Lake Second Annual Restaurant Week. Participating Greenwood Lake restaurants will feature specials between October 7th and October 18th, 2026.

And finally, Pine Island Chamber of Commerce wants us to know that St. Joseph and St. Stan's Food Truck Festival will be held on Saturday, September 26th from noon to 6:00 p.m. at the Polish Legion of American Veterans. That is my report this evening, Supervisor.

COUNCILMAN SHUBACK - Thank you, Mr. Supervisor. I just want to remind people, leaving the Village of Florida, going towards Chester, it's only one way coming into the Village of Florida, not going out. They're having so many cars; they're going around the barricade and trying to go the other way. It's amazing there hasn't been a head-on collision. So, as you go out to the traffic light by Central Deli, you cannot go towards Chester. It's only coming in from Beezer Estates to there. So just mind all of signs, you see the barricades, please don't go around them. That's all I've got to say.

TOWN CLERK REPORT:

1. FEES COLLECTED – AUGUST 2026

MLP Cabins/Apartments	\$16,375.00
MLP Dance Studio	\$1,000.00
MLP Front Building	\$1,500.00
MLP Kitchen	\$370.00
MLP- Lodge Dining Hall	\$6,700.00
MLP Lodge Lounge	\$1,550.00
MLP-NR Lodge Dining Hall	\$1,324.00
MLP-NR Lodge Lounge	\$576.00

Wappingers Falls, NY 49952
Bid Proposal: \$6,670.00

6. I don't know if anybody knows, but we also have a 9-11 memorial quilt in the lobby that was created in the aftermath of 9-11 by the children of Warwick. Feel free to come by and check it out. It's beautiful.

7. And to piggyback on Sam, the pools are closed and also Greenwood Lake Beach is closed until next year. So, summer's over and so is my report.

SUPERVISOR DWYER - All right, just to reiterate a little bit about what Councilman Shuback said, some topics related to the New York State DOT roadwork project on Route 94 and 17. Randall Street is one way from Chester to Florida that's probably going to continue through Thanksgiving. What they're doing right now is they're replacing the village's 100-year-old water main as well as a 50-year-old Orange and Rockland gas main and doing some other bank stabilization along the creek. There is also going to be some roadwork and sidewalk work right around the firehouse area in downtown Florida and starting around September 21st, the intersection of Colonial and Maple will be impacted. They're going to do some work down Colonial, and it's all going to be located within the village. So, on Colonial, that's the beginning part of Kings Highway. The contractor is going to be doing some work in there, and it's going to be single-lane traffic. You can go either way, but there will be delays because they will have flaggers there that are only allowing one lane at a time. So that project, along with a small amount of work around Railroad Avenue, will continue through Thanksgiving as well. So, a lot of this is really just gearing them up and getting them prepared so that they can hit the ground running in the spring of next year and they will be out of here by the end of next year. Then we'll just move on to the next big project that I'm sure is going to come around, which we have a couple. We have the Roundabout, which is planned next year, and we've got the replacement of the Bellvale Bridge that's going to happen next year as well. The Bellvale Bridge is unrelated to this DOT project, but it is going to happen simultaneously, because why not? But a lot of work happening next year, and we're thankful that this infrastructure work is getting done so that we can fix our roads, fix our culverts, fix our drainage. The village is getting new water pipes under the road. I mean, it is really great progress being done.

Talk about progress. You've got to take five steps backward to take two steps forward. We found out through annual inspections of our local-owned bridges, the town bridges. We found out about two weeks ago from the state DOT that the South Street Bridge, which is, of course, on South Street, it is located within the Village of Warwick, and it is owned by the Town of Warwick. The DOT contacted us, and I quote, they said, "you better start working on detour plans." And that was while they were standing there inspecting the bridge. We since immediately sent out our engineers, we sent out our DPW Commissioner, we did our own inspections, we met with the DOT. Now, although it's owned by the Town of Warwick, it is inspected and overseen by the New York State DOT. We immediately contacted the Village Mayor, we contacted the Village DPW, we had everybody in a room, and we communicated what our strategy was going to be to deal with this immediately. We identified that there were no immediate safety concerns, and that the public could continue to travel over the bridge. We addressed some minor concerns by putting a metal plate, and then as you can tell, what was done yesterday was we redirected a portion of traffic in the southbound lane on South Street Bridge to push traffic away from the curb and more into

the center of the bridge. You can walk over the bridge, you can drive over the bridge, however, it is limited to three ton maximum, just so everyone knows what that is. Three tons is approximately a fully loaded Ram 2500 pickup truck. So, our police department has gone to every business in that area and notified them of the weight restriction. Being strictly enforced at this point by our police department. And every single business in that area is cooperative, understands the situation. And again, I'll just reiterate, the bridge is safe to walk over, the bridge is safe to drive over. We are taking this measure out of precaution and working very closely with the DOT for this evolving situation, which we know is likely going to be an inevitable bridge replacement project in the Town of Warwick. So, you'll continue to hear updates from us as they become necessary. We do feel that the bridge has deteriorated more significantly over the last year than any year before. So, we expect there will be some announcements or changes forthcoming. The DOT will continue to inspect the bridge much more often than they were previously, just because of these safety concerns, as will our engineers as well. So, you'll hear more information as it becomes available.

You heard the water operator talk about the Wickham water situation. I had mentioned to you guys earlier some ideas. We understand and recognize that there are some vulnerabilities in the Wickham Water District, and these were brought to our attention essentially because of these water quality concerns that some residents have been experiencing over the last couple of months. There is no well redundancy right now. That water district is operated and supported by one well, and that's just not good enough for us. The water commissioner and I have been talking about this for several months, even before this little water situation happened. We had talked about the potential idea, Matt, sort of what we brought up today about consolidating water districts to put in well redundancy, push supplemental water into that district, and ultimately help reduce the costs to the water residents, because we know that adding new wells into a water district can increase costs, and we understand that we're living in very tough times right now, so it's our job and our responsibility to make sure we are mitigating those additional costs in any way possible. So, the town board has accepted the concept of moving forward with looking at feasibility of combining the Tech Park into the Wickham Water District, just as the sewer district is combined, and as new commercial businesses come into the Tech Park, they are ultimately supporting the residential sewer district. This will, in turn, allow the new businesses that are coming into the Tech Park to support the Wickham Water District, just as the sewer does. So, these are ideas we're looking at. I know Matt has been working around the clock, he and his team, as well as our engineer, trying to get to the bottom of the water quality issue, and it sounds like we made great progress just very recently, as yesterday and today, and we hope to see some good results from that. But that doesn't change the fact that we really need to look into well redundancy and long-term solutions that are better protecting that district and the residents. So, thanks Matt, and great job on what you're doing over there.

Alright, we talked about today, the Town Board and I, about veterans' exemption. The State Legislature recently passed a law that provides local authority over increasing veterans exemptions for disabled veterans on their property taxes. Right now, the town code and the state law does allow a veteran's exemption up to a certain amount. It is

capped at a threshold, and what this new law does, it essentially eliminates property taxes for disabled veterans who fit under a certain criterion. That criterion is not very well defined, because New York State loves to pass laws and provide no guidance, and that's another case where they created this great sounding law and didn't give our assessing departments or our local governments any real guidance on how to actually implement the law. So, the town board is reviewing this. We are reviewing the concept and trying to better understand. We have until March 1st to pass a local law that will then impact the 2028 tax bill, essentially. It will be part of the 2027 assessment year, but it will impact your 2028 tax bill. So, we still have plenty of time to better understand this. We anticipate that the state will come out with more guidance and make this law a little more clear for us to understand, because we're not jumping into anything that we don't fully understand. This will have an impact on other taxpayers across the Town of Warwick. We obviously support our veterans and certainly our disabled veterans, but we want to make sure that we're very clear on this law before we move forward on it. So, you'll hear more about that as it comes out.

We do have a resolution tonight to adopt the Battery Energy Storage Law. We had received at the very last minute of the public hearing a comment from Orange and Rockland, basically saying, hey, this law is going to really hurt public utilities and prevent us from managing this public utility, right? Orange and Rockland are an interesting entity because it is a quasi-governmental public utility where it's a private company that is overseen by the Public Service Commission, and it serves the public needs. So, we took that into consideration, and we did make a minor tweak to the Battery Storage Law, essentially providing a pathway for public utilities such as Orange and Rockland to go to the Zoning Board of Appeals. It does not create an automatic go for the public utility. It creates a pathway for them to go to the Zoning Board of Appeals, and the Zoning Board can evaluate the characteristics of what they're trying to do, determine and assess the proximity to households, and review the need, and make sure that the need fits with the character of the town. So, we do intend to move forward on that law tonight, and again, I want to reiterate my thanks to Deputy Supervisor Russ Kowal, Michael Helme, Greg, the entire team that worked very hard on this law, the professionals, and everyone that was involved. It really took a lot of time, and it's, I think, one of the first laws, real comprehensive laws that addresses battery storage concerns across the state, and a lot of work went into it, and I appreciate everybody's time on putting that together.

As we move forward into PDR, we had a 60-acre farm closing, the historic Burt Farm, which is owned by the McFarland family. We closed on that farm, and that will be another 60 acres added into our PDR program that will never be developed. Yesterday, the Town Community Preservation Advisory Board reviewed three parcels for consideration that would then go to recommendation by the Town Board, and those three parcels, one was a small piece on Robin Brae to expand the Village of Warwick's park system. Another one is 67 acres on the Appalachian Trail, and the final project that we're looking at consideration for was 100 acres off of Wheeler Road. By the way, was previously approved for a 32-lot subdivision. The 32-lot subdivision has expired, and we then approached that property owner to consider PDR, and they are interested in the process. So, the Community Preservation Advisory Board unanimously supported all three of those parcels, and now

we will move them on to the next phase for Town Board consideration and then grant funding.

On a final note, the Greenwood Lake Centennial Park project, which is spearheaded by the now Greenwood Lake Historical Society. It was the Greenwood Lake Centennial Committee, and it has transformed into the Historical Society. They will be breaking ground on Centennial Park at Thomas Morahan Waterfront Park, and that will take place right around November, but a great opportunity for residents and organizations and businesses is to purchase a brick paver to be included in this Centennial Park, and if you'd like to learn more about that, I suggest you go to gwlhistoricalsociety.org and purchase a commemorative brick in any decade that you'd like, between 1924 to 2024, and that's the Centennial Park project.

And again, just a reminder, the 9-11 ceremonies for tomorrow, Memorial Park in the Village of Warwick, 6:00 p.m., Village of Florida at the Fireman's Memorial, 7:00 p.m., and the Greenwood Lake Firehouse is also at 7:00 p.m., and we hope to see you guys out there. That, I believe, concludes my report.

PRIVILEGE OF THE FLOOR (AGENDA ITEMS):

KEVIN BALSLOV - Resident of Wickham Knolls. First, I just wanted to thank you for your comments on 9-11. I also wanted to thank you for your concerns, as a resident of Wickham Knolls. The water that we've been dealing with, obviously, I know you've been inundated with emails and phone calls, talking with Tyler, Melissa. I've been on the phone quite a lot with Mr. McPherson as well. You know, it seems like you guys do have our communities and our neighborhoods' best interests in moving forward. One of the things that I've been addressing, I've kind of been one of the leading persons spearheading some of the issues that have been going on. This has been ongoing for probably a year and a half, two years. We've had different waves of when it's gotten better or worse. Every time we've made a phone call, Mr. McPherson has been in contact with me, and we've tried to have some type of resolution. It seemed like things were going in the right direction. We had a major problem with some of the red dye and stain that is the result of this. We were holding off on remodeling some issues with our bathroom when we purchased the house. We've just recently spent about \$20,000 on a new bathroom. Since we've put a water filter in, we've put a water softener, salt that can remove the red dye. Everything seems to be going in the right direction. All of our brand-new white grout is already stained horribly with this red dye. I mean, we also put a water filter in for anyone that doesn't have it. This is what a brand-new water filter, it's supposed to last about three months, and it shouldn't be much discoloration at that point. We are changing it in our neighborhood on a weekly basis. And if anyone, I don't think you guys feel this way, but if anyone thinks that this is acceptable to be drinking, I have a bottle of water and cups of water. I can easily pour that right over this, and you can show me that it's safe. What's bothering us and a lot of people in our neighborhood is the fact that even though we've been calling, we've been addressing this and not to discredit the town in trying to correct it, every three months we're still receiving our \$300 bill. We've been paying, since February, I've spent just about \$894 for water and sewer. Our sewer is doing exactly what it's supposed to be doing, but we have been calling, complaining, trying to have this addressed, and we're still being charged a full

amount. It's not fair to everyone in this community. On top of that, these water filters cost \$40 a piece. We really shouldn't even be needing this. I put this in at my own expense, and I'm now spending on top of the roughly \$100 a month it breaks down to, I'm spending \$140. That's really, we do it every week. We're adding another \$120 a month. I really don't know what the services that we're paying for. I've been talking to Melissa. I've been talking to Tyler. I've been talking to Commissioner McPherson. They all basically said, we're going to try and address it. We're going to correct it, but any type of refund or reimbursement, you need to address with the town. I'm not angry. I'm not annoyed. I know you guys have been doing the best that you can, but I do feel that there should be some monetary reimbursement to the members of my neighborhood, including myself.

SUPERVISOR DWYER - I know that Matt has conveyed how important this is. I can't even begin to tell you how frustrated I know you feel. We know exactly what you're going through. It couldn't be worse. Matt will tell you, we were going through this the same week that they called us and said the bridge is pretty much going to be shut down. My answer to Matt was, the water is more important than the bridge. There's no doubt. Clean drinking water is, I think, one of our most important responsibilities. We fully recognize how important this is to you. It's got to be resolved. Matts probably lost so many nights, sleepless nights trying to figure this out because there's no easy solution. I appreciate your patience and how respectful you are considering how, I'm sure, stressful that situation is for you. I do appreciate that. I don't believe that there is any legal mechanism for Town Boards to offer a discount on water. The reason for that is because, and what's extremely unusual and boggles our mind, is that the other side of the road is not impacted the same way you are. They're part of the same sewer district. Essentially, what would happen is, and I know what your answer is going to be, they would be paying for your water because, ultimately, it has to get paid for anyway. The water district, and this is something we're grappling with, it's not a town-wide water district. It's just a collective group of residents that, for some reason, the town has taken over responsibility for. I can tell you every single water district has become the most complicated thing that we do. Every one of them. We have one water district that's 28 users out in Pine Island and they need a million-dollar water treatment plant. How do you do that? How do you build a million-dollar building and split the cost between 28? Not that that's your problem, but legally, and I haven't looked into this, I'm assuming that that's probably going to be the case, that it is not legal for the town to issue a refund or reduce your water bill because we're not delivering what you're expecting. I'm saying that in a way that's true and not sugar-coated. We're literally delivering dirty water. That's what you're getting. You shouldn't pay for it, but unfortunately, I think you have to. I'm not going to beat around the bush. I will check and see what legal authority the town has to offer any sort of a credit to those who are impacted. I don't even know how we would verify, other than you bringing your water filter here and telling us and speaking with Matt, but I'll check the legal rationale for that and see if it's legally possible. It would be the Town Board's decision, but I would really hope that at the end of the day, you understand that we're trying our best to provide water in your water district. This is infrastructure that we were given, that we're trying to make the best of, and we've been working on a new well in there, which we do feel will help. This other idea that just spawned was possibly incorporating the Tech Park, which they've got another great producing well, not far from where your well system is. They've got their

own storage tank and they've got new businesses coming online. We're trying to be as proactive as we can, and I know that doesn't solve your problem. It doesn't solve your cost of getting water cartridges. Also, I hope, and I don't know if you can verify this, if anything has changed since what we did yesterday and today.

KEVIN BALSLOV - After speaking with Commissioner McPherson, either Friday or Monday of next week, they're going to be coming to flush out the hydrants and the remaining lines in our neighborhood. I'm going to be changing the filter again on Tuesday, and we should be seeing some changes and improvements starting Tuesday.

SUPERVISOR DWYER - So, then the next step, right, because you pointed it out, this started a year and a half ago, you had crap water, and then we did something, and then we kind of just let it go, and then now you've got this thing back again. We're not letting it go. We've been trying to find the solution to this since day one, since we first heard that there was bad water. We think we've found a really good solution, and doing what he's doing now with that company coming in, that's a short-term solution. The long-term solution is either a well, which the engineer has already been directed to begin the studies on, either rehabbing the existing wells that are there or possibly looking for new wells. And then the other option is, as we discussed, possibly incorporation with another water district. So, we feel like we've got the short-term pretty well set, which we've never done before. We've never done this, that we think will solve it, and then the town board is already working on the long-term.

KEVIN BALSLOV - I do recognize that the town is interested in trying to make this happen. That's why I'm not coming in an angry citizen. You guys have shown nothing but care and compassion to us since we've brought this to your attention. It's just very frustrating that this has been going on for such an amount of time, and every three months we can still get guaranteed that \$300 bill is coming in. What are we actually paying for?

SUPERVISOR DWYER - Right. Yeah, I get it. And like I said, I appreciate your patience.

KEVIN BALSLOV - Okay. Hopefully this will be the last time, but if you could, you know, look into what credits or anything can be given to our neighborhood, we would appreciate it. Because, you know, when you're paying for water and sewer, it seems like the only services we're truly receiving are sewer. It's painful to be paying for that without being aware of it.

SUPERVISOR DWYER - I can tell you the water district is not flush with cash. You know what I mean? It's not producing money. That's why we're looking at the idea of incorporating with the tech park. If we were to give the credit, the district would be further in a hole, which would put more of a strain on our ability to deal with situations like this.

KEVIN BALSLOV - And I understand that, and I understand the snowball effect with other areas that are dealing with water infrastructure issues as well. But there needs to be a time where the town needs to say, all right, well, we can continue to provide you water and we will continue billing, or we will not be able to when you guys need to figure out your own wells. And if we need to do that, that's fine. It's just when we're paying for a service that we're not getting, it's incredibly frustrating.

SUPERVISOR DYWER - Matt and I were talking about that today, and I said, I don't think we can legally force you to get a well. You know, I don't think, I don't believe towns can dissolve water districts unless the water district is taken over by someone else. So, if you had a homeowner's association, they could likely take it over. The town cannot dissolve and just say you're on the hook for a well. So, I think we're in the business of providing water. We're fully committed to providing you the best damn water we can, and that's what we're going to try to do.

KEVIN BALSLOV - All right. Well, I appreciate your time, and if you could keep us in the loop about whatever the legal department says about anything, we would appreciate that as well.

SUPERVISOR DWYER - All right. Thank you for coming in. I'm sorry for what you're dealing with.

KEVIN BALSLOV – Thank you.

NEW BUSINESS / RESOLUTIONS:

#R2026-327 AUTHORIZATION TO SIGN RENEWAL AGREEMENT – POLICE SERVICES FOR GREENWOOD LAKE SCHOOL

Motion Councilman Kowal, seconded Councilman DeAngelo to authorize the supervisor to sign renewal agreement to provide a part-time police officer to Greenwood Lake Union Free School district from July 1, 2026 through June 30, 2027 at a cost to be borne by the school district.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-328 WAIVE 30-DAY WAIT PERIOD FOR NYS LIQUOR LICENSE – JOHN G. PENNINGS/PENNINGS FARM

Motion Councilman DeAngelo, seconded Councilman Mattingly to waive the 30-day wait period for a NYS liquor license for John G. Pennings of Pennings Farm, located at 169 State Route 94 S, Warwick, New York 10990.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-329 REQUEST TO SERVE ALCOHOL AT TOWN OF WARWICK PARKS/RENTAL FACILITIES

Motion Councilman Mattingly, seconded Councilman Shuback granting permission to the following applicants to serve alcohol at Town of Warwick Parks/Rental Facilities. All applicants have filed a Certificate of Liability and Liquor Liability in the Town Clerk's office:

	APPLICANT	PARK/RENTAL FACILITY	DATE	PERMIT
A	Jared Pennings	Mountain Lake Park	October 3, 2026	MLP-9
B	Amber Kirkwood	Mountain Lake Park	October 9, 2026	MLP-40
C	Elizabeth Caslander	Mountain Lake Park	October 16 th – October 18, 2026	MLP-45

D	Warwick Valley Gardeners	Mountain Lake Park	October 20, 2026	MLP-64
E	Remi Leibovic	Mountain Lake Park	October 23 rd – October 25, 2026	MLP-3
F	Warwick Valley Gardeners	Mountain Lake Park	November 1, 2026	MLP-65

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-330 SUPPORT JUSTICE COURT 2026-2027 JCAP GRANT APPLICATION

Motion Councilman Shuback, seconded Councilman Mattingly the Board of the Town of Warwick to authorize the Town of Warwick Town Court to apply for a JCAP grant in the 2026-2027 grant cycle in the amount of \$30,000.00.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-331 SCHEDULE PUBLIC HEARING – PROPOSED INTRODUCTORY
LOCAL LAW #7A OF 2026 TO EXCEED TWO PERCENT PROPERTY
TAX CAP**

Motion Councilman Kowal, seconded Councilman DeAngelo to schedule a public hearing to consider the adoption of a proposed Introductory Local Law #7A of 2026 to exceed the two percent property tax cap. Said public hearing to be held at 7:00 p.m. on September 24, 2026, or as soon thereafter as the matter may be heard, at the Town Hall, 132 Kings Highway, Town of Warwick.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

Discussion: Supervisor Dwyer stated that this is a technicality. It's something we have to do. We voted on this last year to give us the flexibility to exceed the tax cap if we absolutely have to, even though we did not actually end up exceeding the tax cap.

#R2026-332 ACCEPT RESIGNATION OF PART TIME POLICE DISPATCHER

Motion Councilman DeAngelo, seconded Councilman Mattingly to accept resignation of part-time police dispatcher Anthony-Erik Roe effective August 22, 2026.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-333 AUTHORIZE THE TOWN OF WARWICK TO SIGN CONTRACT WITH
BARTON & LOGUIDICE FOR WICKHAM WOODLANDS PARK
MASTER PLAN**

Motion Councilman Mattingly, seconded Councilman Shuback to authorize the Town of Warwick to sign a contract with Barton & Loguidice, D.P. C. for the conceptual planning services for Wickham Woodlands Park Master Plan.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-334 ACCEPT RESIGNATION OF ACCOUNT CLERK -TYLER RADER

Motion Councilman Shuback, seconded Councilman Mattingly to accept the resignation of Account Clerk Tyler Rader effective September 17, 2026.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-335 AUTHORIZE SUPERVISOR TO SIGN NYS LIQUOR AUTHORITY LAND LORD AUTHORIZATION FORM – BPO ELKS

Motion Councilman Kowal, seconded Councilman DeAngelo to authorize Supervisor to sign New York State Liquor Authority Land Lord Authorization Form for the BPO Elks 2067 at Winstanley Park on October 17, 2026.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-336 APPOINT FULL-TIME POLICE OFFICE – JOHN R. SHANNON

Motion Councilman DeAngelo, seconded Councilman Kowal to appoint John R. Shannon as a full-time police officer with a pay rate of \$37.27 per hour, corresponding to Step 1 of the Collective Bargaining Agreement, effective September 12, 2026.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-337 RE-APPOINT ASSESSMENT BOARD OF REVIEW MEMBER-CATHY L. CONKLIN

Motion Councilman Mattingly, seconded Councilman DeAngelo to re-appoint Cathy L. Conklin to the Assessment Board of Review for a term of five (5) years to expire September 30, 2031.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-338 SPECIAL EVENT PERMIT – BLOODLINE SPORTS FOUNDATION 5K

Motion Councilman Shuback, seconded Councilman DeAngelo to approve Special Event for Bloodline Sports Foundation to hold a 5K Turkey Trot on November 26, 2026 from 8am-11am.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-339 ACCEPT RESIGNATION OF DIAL A BUS DRIVER – MARY ANN CERON

Motion Councilman Kowal, seconded Councilman Mattingly to accept the resignation of Mary Ann Ceron as a Dial-A-Bus driver effective immediately.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-340 AMEND RESOLUTION #R2025-265 AUTHORIZING THE SUPERVISOR
TO SIGN AGREEMENT WITH DEGRAW & DEHAAN
ARCHITECTURAL SERVICES REGARDING POLICE RENOVATIONS**

Motion Councilman DeAngelo, seconded Councilman Mattingly to amend resolution #R2025-265 pertaining to DeGraw & DeHaan Architects, to increase the approved amount from \$35,000.00 to \$39,169.34

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-341 AMEND RESOLUTION #R2026-180 ACCEPTING BID FOR POLICE
RENOVATIONS – COLI CONSTRUCTION**

Motion Councilman Mattingly, seconded Councilman Shuback to amend resolution #R2026-180 pertaining to Coli Construction Inc. to increase the approved amount from \$457,689.00 to \$476,692.62.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-342 ACCEPT PROPOSAL FOR HAZARDOUS MATERIALS TESTING –
MOUNTAIN LAKE ROOF PROJECT**

Motion Councilman Shuback, seconded Councilman DeAngelo to accept proposal from AIR Environmental Consulting LLC for hazardous material testing of the Mountain Lake Park Roof Project in an amount not to exceed \$4,320.00.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-343 ADOPT LOCAL LAW NO. 5 OF 2026 – BATTERY ENERGY STORAGE
SYSTEM LAW OF 2026,” (BESS) AMENDING CHAPTER 164 OF THE
TOWN CODE**

Motion Councilman Kowal, seconded Councilman Mattingly to adopt the following resolution:

WHEREAS, the Town Board of the Town of Warwick has reviewed Introductory Local Law No. 5 of 2026, which amends Chapter 164 (Zoning) of the Town Code to establish regulations for Battery Energy Storage Systems (BESS); and

WHEREAS, the Local Law establishes classifications, zoning requirements, permitting procedures, setbacks, fire and safety standards, environmental protections, decommissioning requirements, and enforcement provisions for BESS facilities; and

WHEREAS, the Town Board finds that the regulations are necessary to protect the health, safety and general welfare of the residents of the Town of Warwick;

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Warwick hereby adopts Local Law No. 5 of 2026, entitled "Battery Energy Storage System Law of 2026," amending Chapter 164 of the Town Code; and

BE IT FURTHER RESOLVED, that the Town Clerk is authorized and directed to file the Local Law with the New York State Secretary of State in accordance with applicable law.

ROLL CALL VOTE:

Names	Ayes	Nays	Abstain	Absent
Supervisor Dwyer	X			
Councilman Kowal	X			
Councilman DeAngelo	X			
Councilman Shuback	X			
Councilman Mattingly	X			
TOTAL	5	0	0	0

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026-344 ADOPT LOCAL LAW NO. 6 OF 2026 AMENDING CHAPTER 154, ARTICLE IX OF THE CODE ENTITLED "TOWING POLICY"

Motion Councilman DeAngelo, seconded Councilman Kowal to adopt Local Law No. 6 of 2026 entitled Local Law Amending Chapter 154, Article IX of the code entitled "Towing Policy".

ROLL CALL VOTE:

Names	Ayes	Nays	Abstain	Absent
Supervisor Dwyer	X			
Councilman Kowal	X			
Councilman DeAngelo	X			
Councilman Shuback	X			
Councilman Mattingly	X			
TOTAL	5	0	0	0

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2026- 345 RESOLUTION ADDING CERTAIN LANDS TO THE TOWN OF WARWICK COMMUNITY PRESERVATION PROJECT PLAN- SBL 205-1-32 (ROBIN BRAE)

Motion Councilman Mattingly, seconded Councilman Kowal to adopt the following resolution:

WHEREAS, The Town Board of the Town of Warwick created a Community Preservation Advisory Board ("CPAB") which board adopted a Community Preservation Project Plan (the "Plan") which was approved by the Town Board of the Town of Warwick ("Town "Board"), and

WHEREAS, Tax Parcel Section 205 Block 1 Lot 32 on the Tax Map of the Village of Warwick and situated on Robin Brae within the Village of Warwick (the "Property") has been identified by the CPAB for inclusion in the Plan, and

WHEREAS, The Town Board determines that inclusion of the Property in the Plan is in furtherance of the Town's farmland and open space protection goals and should be included in the Plan, and

WHEREAS, the Town Board has determined that this is a Type 2 action under the State Environmental Quality Review Act.

NOW THEREFORE, BE IT RESOLVED, That Tax Parcel Section 205 Block 1 Lot 32 on the Tax Map of the Village of Warwick is hereby adopted and included as part of the Town of Warwick Community Preservation Project Plan.

This resolution shall take effect immediately.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2026-346 ACCEPT FORMAL NOTIFICATION OF ELIGIBILITY FOR
RETIREMENT- DETECTIVE JASON BRASIER**

Motion Councilman Shuback, seconded Councilman DeAngelo to accept formal notification of eligibility for retirement incentive from Detective Jason Brasier, effective February 7, 2027.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

Discussion: Supervisor Dwyer stated just so you know this does not mean that Detective Brasier is retiring it just means that he is eligible to retire and they are obligated to notify us just in case something happens but fortunately Detective Brasier is not retiring.

**#R2026-347 AUTHORIZE THE SUPERVISOR TO SIGN AMENDMENT WITH
WARWICK VALLEY CENTRAL SCHOOL DISTRICT**

Motion Councilman Kowal, seconded Councilman DeAngelo to authorize the Supervisor to sign an amendment with Warwick Valley Central School District in reference to the School Resource Officer Program.

Motion carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

PRIVILEGE OF THE FLOOR (GENERAL):

No comments were made under the privilege of the floor by the Town Board or the public.

SUPERVISOR DWYER - We are going to go into executive session to discuss a tax certiorari litigation on a parcel of land but before we do you guys are free to stay free to leave there will not be any voting that takes place after this but it is confidential as it is pending litigation The next town board meeting will be Thursday September 24th at 7:00 p.m. It may be preceded by a workshop as early as one and a half hours before the general

meeting and we will also have the public hearing on local law number 7A to exceed the 2% tax cap.

EXECUTIVE SESSION: Motion Supervisor Dwyer, seconded Councilman Mattingly to enter into an executive session for the purpose to discuss litigation on a tax certiorari. Motion Carried (5 ayes, 0 nays) 8:21 p.m.

RE-CONVENE: Motion Supervisor Dwyer, seconded Councilman Mattingly that the regular meeting be re-convened. Motion Carried (5 ayes, 0 nays) 8:48 p.m.

MOTION TO ADJOURN: Motion Supervisor Dwyer, seconded Councilman Mattingly that the regular meeting be adjourned. Motion Carried (5 Ayes, 0 Nays) 8:49 p.m.

09-10-26 CP.
