

**Bid For
TOWN OF WARWICK
Mountain Lake Park
Arts Building Foundation Waterproofing**

PROJECT: Mountain Lake Park
45 Bowen Road, Warwick, NY 10990
Arts Building Water Infiltration & Drainage Improvements

OWNER: Town of Warwick
132 Kings Highway
Warwick, NY 10990

CONSTRUCTION MANAGER: HV REALTY SERVICES, INC.
238 Watkins Avenue
Middletown, NY 10990
845-342-5700 Ext 303
Jerry Casesa, Project Manager
Jerry@HVRsinc.com

BID DUE: **MAY 21, 2025 10:00 AM**

1. Examination of the work: This contractor has examined the drawings and the specifications, and inspected the job site and is fully aware of the conditions of the work and the limitations under which the work shall be performed. The submission of a bid shall be conclusive evidence that the bidder has assumed this responsibility, and the submitted price reflects a complete job.
2. The project is subject to NYSDOL prevailing wages. See the PRC#2025004810 Prevailing Wage Schedule and Public Works requirements.
3. Owner seeks to start construction on [June 16th, 2025](#)
4. Construction must be substantially complete within [Ten \(10\) Days](#) of project start.
5. If a Bid is sent by mail or other delivery method, the sealed envelope containing the Bid must be enclosed in a separate package plainly marked on the outside with the notation "BID ENCLOSED / MOUNTAIN LAKE PARK ARTS BUILDING WATERPROOFING." A mailed Bid shall be addressed to Eileen Astorino, Town of Warwick Town Clerk, 132 Kings Highway, Warwick, New York 10990.
6. Interested Contractors should contact HVRS to arrange a site inspection, prior to bidding.

BID FORM

The undersigned, having examined the Architectural Contract Documents dated **MAY 13, 2025**; hereby proposes and agrees to furnish all labor, materials, and perform operations necessary to complete the entire scope of work for the stipulated sum of:

_____ (_____.00)
Words Value

Note: The above pricing shall include all fees and taxes.

Additionally, authorized work shall be charged as indicated in the included Schedule of Values.

I also acknowledge receiving the following addenda numbered:

Addenda No. _____ date:

Addenda No. _____ date:

Addenda No. _____ date:

and have included their provisions in the above bid price.

I agree to hold this price for the following amount of time, ninety (60) Days, and after that time, the price is subject to change.

BIDDER NAME:

COMPANY:

ADDRESS:

SIGNED:

DATE:

SCHEDULE OF VALUES	
Power wash and prep existing foundation walls	
Repair up to 350 lineal feet of shrinkage cracks	
Install approximately 2,400 square feet of Rub-R-Wall Waterproofing membrane or approved equal	
Install approximately 2,400 square feet of drainage board	
Other misc. items	
BASE CONTRACT BID	

ADDITIONAL AS NEEDED SERVICES SHALL BE BILLED AS FOLLOWS

ITEM	Hourly Rate	Daily Rate
Mason		
Carpenter		
	Unit Price	
Additional square footage of waterproofing membrane		
Additional square footage of drainage board		
Additional linear footage of crack repair		
Contractors OH & Profit %		

**Bid For
TOWN OF WARWICK
Mountain Lake Park
Arts Building Foundation Waterproofing**

SCOPE OF WORK

Existing Conditions

1. The building foundation was constructed in 2001.
2. The main foundation is a 9-foot-high poured foundation wall.
3. Two courses of concrete block were added at each entrance door to allow for the backfill to be brought up to the top of the wood floor system.
4. The foundation was sprayed with Rub-R-Wall CG Waterproofing system.
5. Cracks formed in the poured concrete wall that extended higher than the waterproofing, allowing water to get behind the membrane, compromising its adhesion.

Scope by Others

1. The Town shall contract with an excavation contractor to expose the foundation down to the top of the footing and or 12" below the basement slab at the frost walls.
2. New footing drains will be installed.
3. Roof leader drains will be connected to new roof drains.
4. The excavation contractor shall snap out the new grade lines for the waterproofing contractor.
5. After the new foundation waterproofing system is installed, the foundation will be backfilled with ¾" crushed washed stone.
6. The final grade will promote surface water runoff away from the foundation.

Scope of Work

Waterproofing System

1. Power wash the exposed foundation.
2. Scrape all loose membrane
3. Expose all cracks down to the footing and repair as required by the waterproofing system manufacturer's recommendations.
4. Include up to 350 lineal feet of shrinkage cracks.
5. Prime and prepare the existing foundation to receive a new layer of Rub-R-Wall Membrane or approved equal waterproofing system, as required by the manufacturer.
6. Install a protection/drainage mat.
7. Provide a commercial warranty covering repairs and the new system.
8. Haul away all debris, drums, and containers generated from the waterproofing application.

END OF WATERPROOFING SCOPE OF WORK

Rub-R-Wall® Commercial Grade (CG) Waterproofing System

We can't stop the rain, but we can create a barrier.

Rubber Polymer Company

5760 County Line Road
Cumming, GA 30040
Phone (770) 410-1545
www.rpcinfo.com

Description

BASIC USE AND APPLICATIONS

Rub-R-Wall® Commercial Grade (CG) Waterproofing is a single component, spray-applied, monolithic membrane. It is durable, tough, and the most cost-effective protection of any high-performance waterproof coating. It is designed for use on masonry, concrete or parged block walls. This 100% rubber all-polymer membrane can be spray-applied to both vertical and horizontal substrates including foundation walls, elevator shafts, slabs, planters, etc.

Rub-R-Wall® CG Waterproofing is designed for new construction only. It is not intended to be used for interior application. After application and curing, it requires protection from backfill and is not intended for exposure to weather or traffic.

ACCESSORIES

- Primer: Rub-R-Wall® SA Primer, single-component, elastomeric compound.
- Substrate Repair Materials: Rub-R-Wall® Mastic, heavy-bodied rubber mastic.
- Reinforcing Strips: Rub-R-Wall® SA Sheet Membrane, self-adhering SBS-modified-bitumen sheet membrane, 40 mil thickness.

LIMITATIONS

In its cured state on the wall, Rub-R-Wall® CG is solvent-free, non-toxic and non-carcinogenic. However, in its liquid form contains flammable and hazardous solvents. It must be applied by Certified Applicators. Training is available.

Do not apply Rub-R-Wall® CG when the ambient temperature is below 15 degrees F.

Storage and Handling

Handle and store products according to manufacturer's written recommendations and Local, State, Federal, Fire, D.O.T and environmental codes. For detailed information refer to Material Safety Data Sheet (MSDS) and safety and application information in Rubber Polymer Company's "Operation, Safety and Procedure Guideline Manual."

Rub-R-Wall® Benefits

- Seamless watertight barrier.
- Vertical or horizontal application.
- Covers complex contours.
- Applied at ambient temperature.
- Bridges minor joints and cracks in walls or decks.
- Tenacious bond.
- Low temperature flexibility.
- Does not absorb water.
- Resistant to bacteria, algae, fungus, chemicals, solvents, and degradation in soil.
- Estimated life expectancy exceeds 100 years.

Application

Concrete walls may be sprayed 24-48 hours after the form stripping process is complete provided excess water or moisture is not present. Footers must be dry, clean and free of dirt or any material that would prevent full adhesion. Concrete walls must be free of voids and honeycombs. All form ties must be removed inside and outside below the concrete surface. Concrete walls must be smooth and free of projections and other foreign material such as organic matter, asphalt, or other frozen material. On parged concrete block walls the cores must be filled and dry prior to application.

Application should be made in multiple, uniform passes to obtain a wet membrane thickness of 60-80 mils as determined by a standard mil gauge. A cured thickness of 30-40 mils will result. Spraying a primer or tack coat first will help eliminate sags and runs. Spray the top of the footer 3 inches away from the wall, and when finished, double check for thin or missed areas. Rub-R-Wall® CG membrane should be firm after 15-20 minutes, and ready to receive a protection/insulation course. Allow a minimum of 24 hours after coating before backfilling, and a maximum of 30 days before backfilling.

Availability

Since 1992, Rubber Polymer Company has delivered the highest quality products for the waterproofing industry for thousands of building products all over the United States and Canada. Contact RPC for availability near you.

Technical Services

Detailed information including product literature, test reports, installation instructions, and special applications is available. Please speak to a technical representative.

Available Resources

Section guide specification for products in CSI 3-part format is available from Rubber Polymer Company.

Sustainable Design Contributions

Developed to be environmentally friendly by providing asphalt-free formulas that are environmentally responsible.

Referenced Standards

- ASTM C836/C836M - Standard Specification for High Solids Content, Cold Liquid-Applied Elastomeric Waterproofing Membrane for Use with Separate Wearing Course.
- ASTM D95 - Standard Test Method for Water in Petroleum Products and Bituminous Materials by Distillation.
- ASTM D412 - Standard Test Methods for Vulcanized Rubber and Thermoplastic Elastomers - Tension.
- ASTM D903 - Standard Test Method for Peel or Stripping Strength of Adhesive Bonds.

- ASTM D2020 - Standard Test Method for Mildew (Fungus) Resistance of Paper and Paperboard.
- ASTM D4299-83 - Test Method for Effect of Bacterial Contamination on Performance of Adhesive Preparations and Adhesives Films.
- ASTM D5385/D5385M - Standard Test Method for Hydrostatic Pressure Resistance of Waterproofing Membranes
- ASTM E96/E96M - Standard Test Methods for Water Vapor Transmission of Materials.
- ASTM E154/E154M - Standard Test Methods for Water Vapor Retarders Used in Contact with Earth Under Concrete Slabs, on Walls, or as Ground Cover.
- ASTM G29 - 75 -Standard Practice for Determining Algal Resistance of Plastic Films.

Rub-R-Wall® CG Physical Properties		
Hydrostatic Pressure Resistance	ASTM D5385/D5385M	> 138 ft. of water
Elongation	ASTM D412 (Die C)	> 1,200%
Low Temp Flexibility	Bend around 0.5-inch mandrel	Flexible to -20 deg. F
Abrasion Resistance	700 psi on 0.06-by-0.06-inch point at 1 inch per sec	< 0.10% membrane loss
Asphalt Content		0.0 percent
Block Peel Adhesion	ASTM D903 (Block)	8.03 lbs./inch
Crack Bridging	ASTM C836/C836M	> 10 cycles to 1/8 inch at -15 deg F
Water Vapor Permeance	ASTM E96/E96M (Water method)	0.093 perms
Liquid Water Absorption	ASTM D95	< 0.5% weight
Resistance to Bacterial	ASTM D4299-83 (modified)	No attack
Resistance to Degradation in Soil	ASTM E154/E154M (soil preparation)	Excellent
Resistance to Algae	ASTM G29-75 (modified)	No attack
Resistance to Fungus	ASTM D2020 (modified)	No attack
Resistance to Chemical Attack	Visual	Unaffected by chemicals in concentrations typ. found in soils
Solvent Resistance	Visual	Exceeds performance of modified asphalts
Life Expectancy	Arrhenius Projection Theory	Exceeds 100 years

OPERATION, SAFETY & PROCEDURE
GUIDELINE MANUAL
FOR

RUB-R-WALL® CG COMMERCIAL-GRADE
WATERPROOFING

IMPORTANT INFORMATION

Rub-R-Wall CG Waterproofing is 100% rubber polymer. That makes it tougher and stronger than asphalt based competitive products.

The Rub-R-Wall CG membrane meets Federal, State and many Local VOC emission requirements.

In its cured state on the wall, Rub-R-Wall CG is solvent-free, non-toxic and non-carcinogenic. However, in its liquid, uncured form, Rub-R-Wall CG contains solvents that are **flammable and hazardous**. Because of this, Rub-R-Wall CG is not to be used in confined spaces and should only be used in areas which are well-ventilated. If Rub-R-Wall CG is used or stored in a poorly ventilated area, there is a risk that the flammable vapors will accumulate and create a potentially explosive environment.

Therefore, it is important that you do not store, transport or apply Rub-R-Wall CG Waterproofing before reading and understanding the Material Safety Data Sheet (MSDS) and safety/application information presented on the following pages.

If you do not understand any of this information we urge you to call us with your questions at 770-410-1545.

Note: The information presented here by RPC is not able to, or intended to, supplant individual training, responsibility or judgment of the user.

SECTION 1: SAFETY INFORMATION

1. DO NOT spray Rub-R-Wall® CG Waterproofing before reading and understanding the following safety guideline and the Rub-R-Wall CG MSDS. If you need additional copies of the MSDS, please contact us and we will forward more immediately. A copy of the Rub-R-Wall CG MSDS is attached to the back of this manual. You can also find copies affixed to each barrel of material shipped to you.
2. DO NOT spray Rub-R-Wall CG Waterproofing without being adequately trained in the operation and safety of your company's application equipment.
3. DO NOT SPRAY ALONE.
4. DO NOT spray indoors or in confined spaces, including cisterns. Spraying or otherwise applying Rub-R-Wall CG Waterproofing or its related products in confined spaces is an **inherently dangerous activity** and could result in a fire explosion or respiratory failure, causing death or serious injury. Confined space application of a flammable product as this requires specialized skill, knowledge and safety requirements not provided by RPC. Any such use done contrary to RPC instructions is entirely the responsibility of those who do not follow our explicit warnings. RPC has neither the resources nor expertise to determine whether or not a jobsite is considered a confined space. Regional fire and other regulatory codes may vary. It is the sole responsibility of the user to be in compliance.
5. Approved heatable tanks, if used, should be vented in accordance with the tank manufacturer's specifications and instructions. The temperature in the tank should be maintained at a level that will give 130°F to 150°F temperatures at the tip of the spray gun.
6. When pouring into a heatable tank, ALWAYS ground barrel to tank...tank to truck...truck to ground. Always ground both containers when pouring Rub-R-Wall CG. This ground must be attached to link both containers. Transferring Rub-R-Wall CG must be done in a well ventilated area away from sparks, flames, and any ignition sources.
7. DO NOT heat Rub-R-Wall CG above 160°F. Properly vent the top of the barrel by loosening the bungs. If barrel heaters are used, the barrels must be properly vented to the outdoors. This prevents the accumulation of solvent vapors in confined areas while allowing for the expansion of heated materials. Always follow the safety and operational instructions provided by the manufacturers of the barrel heaters.

8. Enclosed application trucks or vans must have proper ventilation or air movement to avoid air pocket accumulations of dangerous or explosive fumes or vapors.
9. Store and transport Rub-R-Wall® CG according to Local, State, Federal, Fire, D.O.T and environmental codes. For further information call the appropriate authority in your area. This also applies to storage, transportation and disposal of empty Rub-R-Wall CG barrels.
10. Secure the job site by posting no smoking signs. Keep all sources of ignition away from Rub-R-Wall CG material and vapors. DO NOT smoke around Rub-R-Wall CG barrels, equipment, or on application sites. Be certain other contractors are aware of the flammability of the product and ignition sources on the job site. DO NOT spray near pilot lights or active electrical switches or devices.
11. DO NOT breathe vapors. Applicators and others subjected to fumes are required to wear NIOSH approved disposable organic vapor respirators. Medical approval must be obtained for each person who will require a mask. Proper individual fit is required. Displacement of air by solvent vapors can lead to oxygen deprivation causing dizziness, unconsciousness, or death. High vapor concentration can overwhelm the filters in the masks. If you detect fumes through the mask or feel lightheaded or dizzy, move to a fresh air area immediately. Make sure your mask filter cartridges are functioning properly, if not, replace them.
12. High pressure airless sprayers are potentially dangerous. Direct spray can penetrate skin or eyes and cause serious injury. If accidental penetration occurs seek medical attention immediately.
13. Prior to commencement of spray application, properly ground truck to a copper grounding rod. ALL VEHICLES MUST BE GROUNDED.
14. Wear gloves, cap, and coveralls to prevent skin contact.
15. Wear safety goggles with side shields. If Rub-R-Wall CG gets into eyes, flush with clean water. Seek immediate medical attention with a copy of the MSDS.
16. OSHA regulations require a working fire extinguisher and first aid kit in the truck cab. Fire extinguishers should be located near all truck doors, and an extinguisher should also be accessible at the spray site.
17. All Rub-R-Wall CG barrels, whether full or empty, should be stored in protected areas. Keep them away from children. These containers are hazardous when emptied. Emptied containers retain vapors and liquid.

All hazard precautions must be observed when handling emptied containers. Empty drums are not suitable for use as trash containers, rafts, barbeque pits or any similar use.

SECTION 2: INSTALLATION PROCEDURES (Wall Prep)

1. Concrete walls may be sprayed 24-48 hours after the form stripping process is complete, provided any excess water or moisture due to subsequent rains, etc., is not present.
2. The footer must be clean and free of dirt, sand, soil or any other material that would prevent full adhesion of the rubber membrane. The footer must be dry, and free of any visible water. Any water present must be removed, and the substrate dried. Rub-R-Wall® CG will not adhere to a wet foundation.
3. Concrete walls must be free of voids and honeycombs. If present, these areas are to be treated with Rub-R-Wall Mastic or a cementitious grout. All form ties must be removed inside and outside below the concrete surface such that the membrane will not be punctured. Minor surface defects such as tie holes may be repaired using Rub-R-Wall Mastic.
4. Concrete walls must be smooth and free of projections and other foreign material such as organic matter, asphalt or other frozen material.
5. On parged concrete block walls the cores must be filled and dry prior to application.
6. Brick ledges and buttress walls constructed from masonry must be capped prior to application of the membrane.
7. Check all penetrations to insure that they are secure and in the correct and final position.
8. In all possible situations, require your builder to mark the proper grade lines.
9. Rub-R-Wall CG Waterproofing is not intended as a permanently exposed membrane, backfill within 30 days.

Correct wall preparation procedures will ensure the proper adhesion of the Rub-R-Wall® CG membrane, and make the application process clean and easy. Follow these easy steps without exception, and you will experience fewer callbacks.

SECTION 3: INSTALLATION PROCEDURES (Spray Site)

1. Rub-R-Wall CG Waterproofing is designed for new construction only. It is not intended to be used for interior application.
2. DO NOT apply Rub-R-Wall CG Waterproofing over asphalt or tar based products.
3. DO NOT apply Rub-R-Wall CG when the ambient temperature is below 15°F.
4. DO NOT apply Rub-R-Wall CG to frozen surfaces that have not had a chance to cure. Poured concrete walls, mortar, masonry block cores filled with concrete as well as parged surfaces must be cured before application.
5. DO NOT introduce any material that will enhance or dilute Rub-R-Wall CG. This will adversely affect its characteristics. DO NOT thin Rub-R-Wall CG.
6. GROUND THE TRUCK, barrels and all spray equipment to the ground at the jobsite. The rig must always be grounded while spraying, no exceptions.
7. Post a no smoking sign, and be sure that no other tradesmen introduce any ignition sources during your time at the jobsite; welding, smoking, electrical equipment, etc.
8. Proceed to apply the waterproofing membrane; application should be made in multiple, uniform passes such that a wet membrane thickness of 60-80 mils is obtained as determined by a standard mil gauge. A cured thickness of 30-40 mils will result. Spraying a tack coat first will help eliminate sags and runs. Spray the top of the footer 3 inches away from the wall, and when finished, double check for thin or missed areas.
9. Rub-R-Wall CG membrane should be firm after 15-20 minutes, and ready to receive a protection/insulation course. (Protection course not required with Rub-R-Wall Plus).

Protection boards should not be overlapped and plastic should be “ship lapped”. Protection board should cover the entire membrane for protection from backfill.

10. Allow a minimum of 24 hours after coating before backfilling, and a maximum of 30 days before backfilling.

SECTION 4: EQUIPMENT

1. Rub-R-Wall® CG is to be heated to a temperature range of 130-150°F (at the spray tip) for installation. The spray pump should be able to achieve an input pressure of 3000 psi for Rub-R-Wall CG application.
2. Rub-R-Wall CG can be heated through a single pass heat exchanger connected to an engine’s coolant system, or band heaters applied to Rub-R-Wall CG barrels. Rub-R-Wall CG temperature should never exceed 160°F.
3. Graco 45:1 airless spray pumps are recommended (or comparable unit).
4. Interlinking lines between the pump, heat exchanger and the material, should be short, and have a larger diameter, to ensure good material flow. Lines should not exceed 4 feet in length, and the diameter should be at least 2 inches.
5. A high pressure spray hose is required, with a diameter of no more than 1/2 inch, and a length of no more than 200 feet.
6. Graco Silver Plus spray gun, with spray tip .631 (oval opening shape) is recommended.
7. All connections should be as tight as possible, as to not introduce air leaks.

For further questions contact:

Rubber Polymer Company, LLC
5760 County Line Road
Cumming, GA 30040
Phone: 770-410-1545

Note: The information presented here by RPC is not able to, or intended to, supplant individual training, responsibility or judgment of the user.

EXISTING CONDITIONS

- THE BUILDING FOUNDATION WAS CONSTRUCTED IN 2001.
- THE MAIN FOUNDATION IS A 9 FOOT HIGH, POURED FOUNDATION WALL.
- (2) TWO COURSES OF CONCRETE BLOCK WERE ADDED AT EACH ENTRANCE DOOR TO ALLOW FOR THE BACKFILL TO BE BROUGHT UP TO THE TOP OF THE WOOD FLOOR SYSTEM.
- THE FOUNDATION WAS SPRAYED WITH RUB-R-WALL CG WATERPROOFING SYSTEM.
- CRACKS FORMED IN THE POURED CONCRETE WALL THAT EXTENDED HIGHER THAN THE WATERPROOFING, ALLOWING WATER TO GET BEHIND THE MEMBRANE, COMPROMISING IT'S ADHESION.

SCOPE BY OTHERS

- THE TOWN SHALL CONTRACT WITH AN EXCAVATION CONTRACTOR TO EXPOSE THE FOUNDATION DOWN TO THE TOP OF THE FOOTING AND/OR 12" BELOW THE BASEMENT SLAB AT THE FROST WALLS.
- NEW FOOTING DRAINS WILL BE INSTALLED.
- ROOF LEADER DRAINS WILL BE CONNECTED TO NEW ROOF DRAINS.
- THE EXCAVATION CONTRACTOR SHALL SNAP OUT THE NEW GRADE LINES FOR THE WATERPROOFING CONTRACTOR.
- AFTER THE NEW FOUNDATION WATERPROOFING SYSTEM IS INSTALLED, THE FOUNDATION WILL BE BACKFILLED WITH 3/4" CRUSHED WASHED STONE.
- THE FINAL GRADE WILL PROMOTE SURFACE WATER RUNOFF AWAY FROM THE FOUNDATION.

SCOPE BY WATERPROOFING CONTRACTOR

- POWER WASH THE EXPOSED FOUNDATION.
- SCRAPE ALL LOOSE MEMBRANE.
- EXPOSE ALL CRACKS DOWN TO THE FOOTING AND REPAIR AS REQUIRED BY THE WATERPROOFING SYSTEM MANUFACTURER'S RECOMMENDATIONS.
- INCLUDE UP TO 350 LINEAL FEET OF SHRINKAGE CRACKS TO REPAIR.
- PRIME AND PREPARE THE EXISTING FOUNDATION TO RECEIVE A NEW LAYER OF RUB-R-WALL MEMBRANE OR APPROVED EQUAL WATERPROOFING SYSTEM, AS REQUIRED BY THE MANUFACTURER.
- INSTALL A PROTECTION/DRAINAGE MAT.
- PROVIDE A COMMERCIAL WARRANTY COVERING REPAIRS AND THE NEW SYSTEM.
- HAUL AWAY ALL DEBRIS, DRUMS, AND CONTAINERS GENERATED FROM THE WATERPROOFING APPLICATION.

PREVAILING WAGE SCHEDULE FOR ARTICLE 8 PUBLIC WORK PROJECT

Attached is the current schedule(s) of the prevailing wage rates and prevailing hourly supplements for the project referenced above. A unique Prevailing Rate Case Number (PRC#) has been assigned to the schedule(s) for your project.

The schedule is effective from July 2024 through June 2025. All updates, corrections, posted on the 1st business day of each month, and future copies of the annual determination are available on the Department's website www.labor.ny.gov. Updated PDF copies of your schedule can be accessed by entering your assigned PRC# at the proper location on the website.

It is the responsibility of the contracting agency or its agent to annex and make part, the attached schedule, to the specifications for this project, when it is advertised for bids and /or to forward said schedules to the successful bidder(s), immediately upon receipt, in order to insure the proper payment of wages.

Please refer to the "General Provisions of Laws Covering Workers on Public Work Contracts" provided with this schedule, for the specific details relating to other responsibilities of the Department of Jurisdiction.

Upon completion or cancellation of this project, enter the required information and mail **OR** fax this form to the office shown at the bottom of this notice, **OR** fill out the electronic version via the NYSDOL website.

NOTICE OF COMPLETION / CANCELLATION OF PROJECT

Date Completed: _____ Date Cancelled: _____

Name & Title of Representative: _____

Phone: (518) 457-5589 Fax: (518) 485-1870

General Provisions of Laws Covering Workers on Article 8 Public Work Contracts

Introduction

The Labor Law requires public work contractors and subcontractors to pay laborers, workers, or mechanics employed in the performance of a public work contract not less than the prevailing rate of wage and supplements (fringe benefits) in the locality where the work is performed.

Contractor Registry

Effective December 30, 2024 all contractors and subcontractors submitting bids or performing construction work on public work projects, or private projects covered by Article 8 of the Labor Law, are required to register with the New York State Department of Labor (NYSDOL) under Labor Law Section 220-i. To register, contractors and subcontractors must submit an application through NYSDOL's Contractor Registry portal which is available through the agency's Management System for Protecting Worker Rights (MPWR) <https://mpwr-public.labor.ny.gov/en/login>.

For additional information, please visit [online](#).

Responsibilities of the Department of Jurisdiction

A Department of Jurisdiction (Contracting Agency) includes a state department, agency, board or commission; a county, city, town or village; a school district, board of education or board of cooperative educational services; a sewer, water, fire, improvement and other district corporation; a public benefit corporation; and a public authority awarding a public work contract.

The Department of Jurisdiction (Contracting Agency) awarding a public work contract MUST obtain a Prevailing Rate Schedule listing the hourly rates of wages and supplements due the workers to be employed on a public work project. This schedule may be obtained by completing and forwarding a "Request for wage and Supplement Information" form (PW 39) to the Bureau of Public Work. The Prevailing Rate Schedule MUST be included in the specifications for the contract to be awarded and is deemed part of the public work contract.

Upon the awarding of the contract, the law requires that the Department of Jurisdiction (Contracting Agency) furnish the following information to the Bureau: the name and address of the contractor, the date the contract was let and the approximate dollar value of the contract. To facilitate compliance with this provision of the Labor Law, a copy of the Department's "Notice of Contract Award" form (PW 16) is provided with the original Prevailing Rate Schedule.

The Department of Jurisdiction (Contracting Agency) is required to notify the Bureau of the completion or cancellation of any public work project. The Department's PW 200 form is provided for that purpose.

Both the PW 16 and PW 200 forms are available for completion [online](#).

Hours

No laborer, worker, or mechanic in the employ of a contractor or subcontractor engaged in the performance of any public work project shall be permitted to work more than eight hours in any day or more than five days in any week, except in cases of extraordinary emergency. The contractor and the Department of Jurisdiction (Contracting Agency) may apply to the Bureau of Public Work for a dispensation permitting workers to work additional hours or days per week on a particular public work project.

Wages and Supplements

The wages and supplements to be paid and/or provided to laborers, workers, and mechanics employed on a public work project shall be not less than those listed in the current Prevailing Rate Schedule for the locality where the work is performed. If a prime contractor on a public work project has not been provided with a Prevailing Rate Schedule, the contractor must notify the Department of Jurisdiction (Contracting Agency) who in turn must request an original Prevailing Rate Schedule form the Bureau of Public Work. Requests may be submitted by: mail to NYSDOL, Bureau of Public Work, State Office Bldg. Campus, Bldg. 12, Rm. 130, Albany, NY 12226; Fax to Bureau of Public Work (518) 485-1870; or electronically at the NYSDOL website www.labor.ny.gov.

Upon receiving the original schedule, the Department of Jurisdiction (Contracting Agency) is REQUIRED to provide complete copies to all prime contractors who in turn MUST, by law, provide copies of all applicable county schedules to each subcontractor and obtain from each subcontractor, an affidavit certifying such schedules were received. If the original schedule expired, the contractor may obtain a copy of the new annual determination from the NYSDOL website www.labor.ny.gov.

The Commissioner of Labor makes an annual determination of the prevailing rates. This determination is in effect from July 1st through June 30th of the following year. The annual determination is available on the NYSDOL website

Payrolls and Payroll Records

Every contractor and subcontractor MUST keep original payrolls or transcripts subscribed and affirmed as true under penalty of perjury. As per Article 6 of the Labor Law, contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records. At a minimum, payrolls must show the following information for each person employed on a public work project: Name, Address, Last 4 Digits of Social Security Number, Classification(s) in which the worker was employed, Hourly wage rate(s) paid, Supplements paid or provided, and Daily and weekly number of hours worked in each classification.

The filing of payrolls to the Department of Jurisdiction is a condition of payment. Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury. The Department of Jurisdiction (Contracting Agency) shall collect, review for facial validity, and maintain such payrolls.

In addition, the Commissioner of Labor may require contractors to furnish, with ten (10) days of a request, payroll records sworn to as their validity and accuracy for public work and private work. Payroll records include, but are not limited to time cards, work description sheets, proof that supplements were provided, cancelled payroll checks and payrolls. Failure to provide the requested information within the allotted ten (10) days will result in the withholding of up to 25% of the contract, not to exceed \$100,000.00. If the contractor or subcontractor does not maintain a place of business in New York State and the amount of the contract exceeds \$25,000.00, payroll records and certifications must be kept on the project worksite.

The prime contractor is responsible for any underpayments of prevailing wages or supplements by any subcontractor.

All contractors or their subcontractors shall provide to their subcontractors a copy of the Prevailing Rate Schedule specified in the public work contract as well as any subsequently issued schedules. A failure to provide these schedules by a contractor or subcontractor is a violation of Article 8, Section 220-a of the Labor Law.

All subcontractors engaged by a public work project contractor or its subcontractor, upon receipt of the original schedule and any subsequently issued schedules, shall provide to such contractor a verified statement attesting that the subcontractor has received the Prevailing Rate Schedule and will pay or provide the applicable rates of wages and supplements specified therein. (See NYS Labor Laws, Article 8 . Section 220-a).

Determination of Prevailing Wage and Supplement Rate Updates Applicable to All Counties

The wages and supplements contained in the annual determination become effective July 1st whether or not the new determination has been received by a given contractor. Care should be taken to review the rates for obvious errors. Any corrections should be brought to the Department's attention immediately. It is the responsibility of the public work contractor to use the proper rates. If there is a question on the proper classification to be used, please call the district office located nearest the project. Any errors in the annual determination will be corrected and posted to the NYSDOL website on the first business day of each month. Contractors are responsible for paying these updated rates as well, retroactive to July 1st.

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. To the extent possible, the Department posts rates in its possession that cover periods of time beyond the July 1st to June 30th time frame covered by a particular annual determination. Rates that extend beyond that instant time period are informational ONLY and may be updated in future annual determinations that actually cover the then appropriate July 1st to June 30th time period.

Withholding of Payments

When a complaint is filed with the Commissioner of Labor alleging the failure of a contractor or subcontractor to pay or provide the prevailing wages or supplements, or when the Commissioner of Labor believes that unpaid wages or supplements may be due, payments on the public work contract shall be withheld from the prime contractor in a sufficient amount to satisfy the alleged unpaid wages and supplements, including interest and civil penalty, pending a final determination.

When the Bureau of Public Work finds that a contractor or subcontractor on a public work project failed to pay or provide the requisite prevailing wages or supplements, the Bureau is authorized by Sections 220-b and 235.2 of the Labor Law to so notify the financial officer of the Department of Jurisdiction (Contracting Agency) that awarded the public work contract. Such officer MUST then withhold or cause to be withheld from any payment due the prime contractor on account of such contract the amount indicated by the Bureau as sufficient to satisfy the unpaid wages and supplements, including interest and any civil penalty that may be assessed by the Commissioner of Labor. The withholding continues until there is a final determination of the underpayment by the Commissioner of Labor or by the court in the event a legal proceeding is instituted for review of the determination of the Commissioner of Labor.

The Department of Jurisdiction (Contracting Agency) shall comply with this order of the Commissioner of Labor or of the court with respect to the release of the funds so withheld.

Summary of Notice Posting Requirements

The current Prevailing Rate Schedule must be posted in a prominent and accessible place on the site of the public work project. The prevailing wage schedule must be encased in, or constructed of, materials capable of withstanding adverse weather conditions and be titled "PREVAILING RATE OF WAGES" in letters no smaller than two (2) inches by two (2) inches.

The **"Public Work Project"** notice must be posted at the beginning of the performance of every public work contract, on each job site.

Every employer providing workers' compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers' Compensation Board in a conspicuous place on the jobsite.

Every employer subject to the NYS Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers, notices furnished by the State Division of Human Rights.

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the NYS Department of Labor.

Apprentices

Employees cannot be paid apprentice rates unless they are individually registered in a program registered with the NYS Commissioner of Labor. The allowable ratio of apprentices to journeymen in any craft classification can be no greater than the statewide building trade ratios promulgated by the Department of Labor and included with the Prevailing Rate Schedule. An employee listed on a payroll as an apprentice who is not registered as above or is performing work outside the classification of work for which the apprentice is indentured, must be paid the prevailing journeyman's wage rate for the classification of work the employee is actually performing.

NYSDOL Labor Law, Article 8, Section 220-3, require that only apprentices individually registered with the NYS Department of Labor may be paid apprenticeship rates on a public work project. No other Federal or State Agency of office registers apprentices in New York State.

Persons wishing to verify the apprentice registration of any person must do so in writing by mail, to the NYSDOL Office of Employability Development / Apprenticeship Training, State Office Bldg. Campus, Bldg. 12, Albany, NY 12226 or by Fax to NYSDOL Apprenticeship Training (518) 457-7154. All requests for verification must include the name and social security number of the person for whom the information is requested.

The only conclusive proof of individual apprentice registration is written verification from the NYSDOL Apprenticeship Training Albany Central office. Neither Federal nor State Apprenticeship Training offices outside of Albany can provide conclusive registration information.

It should be noted that the existence of a registered apprenticeship program is not conclusive proof that any person is registered in that program. Furthermore, the existence or possession of wallet cards, identification cards, or copies of state forms is not conclusive proof of the registration of any person as an apprentice.

Interest and Penalties

In the event that an underpayment of wages and/or supplements is found:

- Interest shall be assessed at the rate then in effect as prescribed by the Superintendent of Banks pursuant to section 14-a of the Banking Law, per annum from the date of underpayment to the date restitution is made.
- A Civil Penalty may also be assessed, not to exceed 25% of the total of wages, supplements, and interest due.

Debarment

Any contractor or subcontractor and/or its successor shall be ineligible to submit a bid on or be awarded any public work contract or subcontract with any state, municipal corporation or public body for a period of five (5) years when:

- Two (2) willful determinations have been rendered against that contractor or subcontractor and/or its successor within any consecutive six (6) year period.
- There is any willful determination that involves the falsification of payroll records or the kickback of wages or supplements.

Criminal Sanctions

Willful violations of the Prevailing Wage Law (Article 8 of the Labor Law) may be a felony punishable by fine or imprisonment of up to 15 years, or both.

Discrimination

No employee or applicant for employment may be discriminated against on account of age, race, creed, color, national origin, sex, disability or marital status.

No contractor, subcontractor nor any person acting on its behalf, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates (NYS Labor Law, Article 8, Section 220-e(a)).

No contractor, subcontractor, nor any person acting on its behalf, shall in any manner, discriminate against or intimidate any employee on account of race, creed, color, disability, sex, or national origin (NYS Labor Law, Article 8, Section 220-e(b)).

The Human Rights Law also prohibits discrimination in employment because of age, marital status, or religion.

There may be deducted from the amount payable to the contractor under the contract a penalty of \$50.00 for each calendar day during which such person was discriminated against or intimidated in violation of the provision of the contract (NYS Labor Law, Article 8, Section 220-e(c)).

The contract may be cancelled or terminated by the State or municipality. All monies due or to become due thereunder may be forfeited for a second or any subsequent violation of the terms or conditions of the anti-discrimination sections of the contract (NYS Labor Law, Article 8, Section 220-e(d)).

Every employer subject to the New York State Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers notices furnished by the State Division of Human Rights.

Workers' Compensation

In accordance with Section 142 of the State Finance Law, the contractor shall maintain coverage during the life of the contract for the benefit of such employees as required by the provisions of the New York State Workers' Compensation Law.

A contractor who is awarded a public work contract must provide proof of workers' compensation coverage prior to being allowed to begin work.

The insurance policy must be issued by a company authorized to provide workers' compensation coverage in New York State. Proof of coverage must be on form C-105.2 (Certificate of Workers' Compensation Insurance) and must name this agency as a certificate holder.

If New York State coverage is added to an existing out-of-state policy, it can only be added to a policy from a company authorized to write workers' compensation coverage in this state. The coverage must be listed under item 3A of the information page.

The contractor must maintain proof that subcontractors doing work covered under this contract secured and maintained a workers' compensation policy for all employees working in New York State.

Every employer providing worker's compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers' Compensation Board in a conspicuous place on the jobsite.

Unemployment Insurance

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the New York State Department of Labor.

Social Security Numbers on Certified Payrolls:

The Department of Labor is cognizant of the concerns of the potential for misuse or inadvertent disclosure of social security numbers. Identity theft is a growing problem and we are sympathetic to contractors' concern regarding inclusion of this information on payrolls if another identifier will suffice.

For these reasons, the substitution of the use of the last four digits of the social security number on certified payrolls submitted to contracting agencies on public work projects is now acceptable to the Department of Labor. This change does not affect the Department's ability to request and receive the entire social security number from employers during its public work/ prevailing wage investigations.

Construction Industry Fair Play Act: Required Posting for Labor Law Article 25-B § 861-d

Construction industry employers must post the "Construction Industry Fair Play Act" notice in a prominent and accessible place on the job site. Failure to post the notice can result in penalties of up to \$1,500 for a first offense and up to \$5,000 for a second offense. The posting is included as part of this wage schedule. Additional copies may be obtained from the NYS DOL website, <https://dol.ny.gov/public-work-and-prevailing-wage>

If you have any questions concerning the Fair Play Act, please call the State Labor Department toll-free at 1-866-435-1499 or email us at: dol.misclassified@labor.ny.gov .

Worker Notification: (Labor Law §220, paragraph a of subdivision 3-a)

Effective June 23, 2020

This provision is an addition to the existing wage rate law, Labor Law §220, paragraph a of subdivision 3-a. It requires contractors and subcontractors to provide written notice to all laborers, workers or mechanics of the *prevailing wage and supplement rate* for their particular job classification *on each pay stub**. It also requires contractors and subcontractors to *post a notice* at the beginning of the performance of every public work contract *on each job site* that includes the telephone number and address for the Department of Labor and a statement informing laborers, workers or mechanics of their right to contact the Department of Labor if he/she is not receiving the proper prevailing rate of wages and/or supplements for his/her job classification. The required notification will be provided with each wage schedule, may be downloaded from our website www.labor.ny.gov or be made available upon request by contacting the Bureau of Public Work at 518-457-5589. *In the event the required information will not fit on the pay stub, an accompanying sheet or attachment of the information will suffice.

(12.20)

**To all State Departments, Agency Heads and Public Benefit Corporations
IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

Budget Policy & Reporting Manual

B-610

Public Work Enforcement Fund

effective date December 7, 2005

1. Purpose and Scope:

This Item describes the Public Work Enforcement Fund (the Fund, PWEF) and its relevance to State agencies and public benefit corporations engaged in construction or reconstruction contracts, maintenance and repair, and announces the recently-enacted increase to the percentage of the dollar value of such contracts that must be deposited into the Fund. This item also describes the roles of the following entities with respect to the Fund:

- New York State Department of Labor (DOL),
- The Office of the State of Comptroller (OSC), and
- State agencies and public benefit corporations.

2. Background and Statutory References:

DOL uses the Fund to enforce the State's Labor Law as it relates to contracts for construction or reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law. State agencies and public benefit corporations participating in such contracts are required to make payments to the Fund.

Chapter 511 of the Laws of 1995 (as amended by Chapter 513 of the Laws of 1997, Chapter 655 of the Laws of 1999, Chapter 376 of the Laws of 2003 and Chapter 407 of the Laws of 2005) established the Fund.

3. Procedures and Agency Responsibilities:

The Fund is supported by transfers and deposits based on the value of contracts for construction and reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law, into which all State agencies and public benefit corporations enter.

Chapter 407 of the Laws of 2005 increased the amount required to be provided to this fund to .10 of one-percent of the total cost of each such contract, to be calculated at the time agencies or public benefit corporations enter into a new contract or if a contract is amended. The provisions of this bill became effective August 2, 2005.

To all State Departments, Agency Heads and Public Benefit Corporations
IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND

OSC will report to DOL on all construction-related ("D") contracts approved during the month, including contract amendments, and then DOL will bill agencies the appropriate assessment monthly. An agency may then make a determination if any of the billed contracts are exempt and so note on the bill submitted back to DOL. For any instance where an agency is unsure if a contract is or is not exempt, they can call the Bureau of Public Work at the number noted below for a determination. Payment by check or journal voucher is due to DOL within thirty days from the date of the billing. DOL will verify the amounts and forward them to OSC for processing.

For those contracts which are not approved or administered by the Comptroller, monthly reports and payments for deposit into the Public Work Enforcement Fund must be provided to the Administrative Finance Bureau at the DOL within 30 days of the end of each month or on a payment schedule mutually agreed upon with DOL.

Reports should contain the following information:

- Name and billing address of State agency or public benefit corporation;
- State agency or public benefit corporation contact and phone number;
- Name and address of contractor receiving the award;
- Contract number and effective dates;
- Contract amount and PWEF assessment charge (if contract amount has been amended, reflect increase or decrease to original contract and the adjustment in the PWEF charge); and
- Brief description of the work to be performed under each contract.

Checks and Journal Vouchers, payable to the "New York State Department of Labor" should be sent to:

Department of Labor
Administrative Finance Bureau-PWEF Unit
Building 12, Room 464
State Office Campus
Albany, NY 12226

Any questions regarding billing should be directed to NYSDOL's Administrative Finance Bureau-PWEF Unit at (518) 457-3624 and any questions regarding Public Work Contracts should be directed to the Bureau of Public Work at (518) 457-5589.

Required Notice under Article 25-B of the Labor Law

**Attention All Employees, Contractors and Subcontractors:
You are Covered by the Construction Industry Fair Play Act**

The law says that you are an employee unless:

- You are free from direction and control in performing your job, **and**
- You perform work that is not part of the usual work done by the business that hired you, **and**
- You have an independently established business.

Your employer cannot consider you to be an independent contractor unless all three of these facts apply to your work.

It is against the law for an employer to misclassify employees as independent contractors or pay employees off the books.

Employee Rights: If you are an employee, you are entitled to state and federal worker protections. These include:

- Unemployment Insurance benefits, if you are unemployed through no fault of your own, able to work, and otherwise qualified,
- Workers' compensation benefits for on-the-job injuries,
- Payment for wages earned, minimum wage, and overtime (under certain conditions),
- Prevailing wages on public work projects,
- The provisions of the National Labor Relations Act, and
- A safe work environment.

It is a violation of this law for employers to retaliate against anyone who asserts their rights under the law. Retaliation subjects an employer to civil penalties, a private lawsuit or both.

Independent Contractors: If you are an independent contractor, **you must pay all taxes and Unemployment Insurance contributions required by New York State and Federal Law.**

Penalties for paying workers off the books or improperly treating employees as independent contractors:

- **Civil Penalty**
First offense: Up to \$2,500 per employee
Subsequent offense(s): Up to \$5,000 per employee
- **Criminal Penalty**
First offense: Misdemeanor - up to 30 days in jail, up to a \$25,000 fine and debarment from performing public work for up to one year.
Subsequent offense(s): Misdemeanor - up to 60 days in jail or up to a \$50,000 fine and debarment from performing public work for up to 5 years.

If you have questions about your employment status or believe that your employer may have violated your rights and you want to file a complaint, call the Department of Labor at (866) 435-1499 or send an email to dol.misclassified@labor.ny.gov. All complaints of fraud and violations are taken seriously. You can remain anonymous.

Employer Name:

IA 999 (09/16)

Attention Employees

THIS IS A: **PUBLIC WORK PROJECT**

If you are employed on this project as a **worker, laborer, or mechanic** you are entitled to receive the **prevailing wage and supplements rate** for the classification at which you are working.

Your pay stub and wage notice received upon hire must clearly state your wage rate and supplement rate.

Chapter 629 of
the Labor Laws
of 2007:

These wages are set by law and must be posted at the work site. They can also be found at:
<https://dol.ny.gov/bureau-public-work>

If you feel that you have not received proper wages or benefits, please call our nearest office.*

Contractor Name: _____

Project Location: _____

Requirements for OSHA 10 Compliance

Article 8 §220-h requires that when the advertised specifications, for every contract for public work, is \$250,000.00 or more the contract must contain a provision requiring that every worker employed in the performance of a public work contract shall be certified as having completed an OSHA 10 safety training course. The clear intent of this provision is to require that all employees of public work contractors, required to be paid prevailing rates, receive such training "prior to the performing any work on the project."

The Bureau will enforce the statute as follows:

All contractors and sub contractors must attach a copy of proof of completion of the OSHA 10 course to the first certified payroll submitted to the contracting agency and on each succeeding payroll where any new or additional employee is first listed.

Proof of completion may include but is not limited to:

- Copies of bona fide course completion card (*Note: Completion cards do not have an expiration date.*)
- Training roster, attendance record of other documentation from the certified trainer pending the issuance of the card.
- Other valid proof

****A certification by the employer attesting that all employees have completed such a course is not sufficient proof that the course has been completed.**

Any questions regarding this statute may be directed to the New York State Department of Labor, Bureau of Public Work at 518-457-5589.

WICKS

Public work projects are subject to the Wicks Law requiring separate specifications and bidding for the plumbing, heating and electrical work, when the total project's threshold is \$3 million in Bronx, Kings, New York, Queens and, Richmond counties; \$1.5 million in Nassau, Suffolk and Westchester counties; and \$500,000 in all other counties.

For projects below the monetary threshold, bidders must submit a sealed list naming each subcontractor for the plumbing, HVAC and electrical and the amount to be paid to each. The list may not be changed unless the public owner finds a legitimate construction need, including a change in specifications or costs or the use of a Project Labor Agreement (PLA), and must be open to public inspection.

Allows the state and local agencies and authorities to waive the Wicks Law and use a PLA if it will provide the best work at the lowest possible price. If a PLA is used, all contractors shall participate in apprentice training programs in the trades of work it employs that have been approved by the Department of Labor (DOL) for not less than three years. They shall also have at least one graduate in the last three years and use affirmative efforts to retain minority apprentices. PLA's would be exempt from Wicks, but deemed to be public work subject to prevailing wage enforcement.

The Commissioner of Labor shall have the power to enforce separate specification requirements on projects, and may issue stop-bid orders against public owners for non-compliance.

Other new monetary thresholds, and similar sealed bidding for non-Wicks projects, would apply to certain public authorities including municipal housing authorities, NYC Construction Fund, Yonkers Educational Construction Fund, NYC Municipal Water Finance Authority, Buffalo Municipal Water Finance Authority, Westchester County Health Care Association, Nassau County Health Care Corp., Clifton-Fine Health Care Corp., Erie County Medical Center Corp., NYC Solid Waste Management Facilities, and the Dormitory Authority.

Contractors must pay subcontractors within a 7 days period.

(07.19)

Introduction to the Prevailing Rate Schedule

Information About Prevailing Rate Schedule

This information is provided to assist you in the interpretation of particular requirements for each classification of worker contained in the attached Schedule of Prevailing Rates.

Classification

It is the duty of the Commissioner of Labor to make the proper classification of workers taking into account whether the work is heavy and highway, building, sewer and water, tunnel work, or residential, and to make a determination of wages and supplements to be paid or provided. It is the responsibility of the public work contractor to use the proper rate. If there is a question on the proper classification to be used, please call the district office located nearest the project. District office locations and phone numbers are listed below.

Prevailing Wage Schedules are issued separately for "General Construction Projects" and "Residential Construction Projects" on a county-by-county basis.

General Construction Rates apply to projects such as: Buildings, Heavy & Highway, and Tunnel and Water & Sewer rates.

Residential Construction Rates generally apply to construction, reconstruction, repair, alteration, or demolition of one family, two family, row housing, or rental type units intended for residential use.

Some rates listed in the Residential Construction Rate Schedule have a very limited applicability listed along with the rate. Rates for occupations or locations not shown on the residential schedule must be obtained from the General Construction Rate Schedule. Please contact the local Bureau of Public Work office before using Residential Rate Schedules, to ensure that the project meets the required criteria.

Payrolls and Payroll Records

Contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records.

Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury.

Paid Holidays

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

Overtime

At a minimum, all work performed on a public work project in excess of eight hours in any one day or more than five days in any workweek is overtime. However, the specific overtime requirements for each trade or occupation on a public work project may differ. Specific overtime requirements for each trade or occupation are contained in the prevailing rate schedules.

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays.

The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

Supplemental Benefits

Particular attention should be given to the supplemental benefit requirements. Although in most cases the payment or provision of supplements is straight time for all hours worked, some classifications require the payment or provision of supplements, or a portion of the supplements, to be paid or provided at a premium rate for premium hours worked. Supplements may also be required to be paid or provided on paid holidays, regardless of whether the day is worked. The Overtime Codes and Notes listed on the particular wage classification will indicate these conditions as required.

Effective Dates

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. The rate listed is valid until the next effective rate change or until the new annual determination which takes effect on July 1 of each year. All contractors and subcontractors are required to pay the current prevailing rates of wages and supplements. If you have any questions please contact the Bureau of Public Work or visit the New York State Department of Labor website (www.labor.ny.gov) for current wage rate information.

Apprentice Training Ratios

The following are the allowable ratios of registered Apprentices to Journey-workers.

For example, the ratio 1:1,1:3 indicates the allowable initial ratio is one Apprentice to one Journeyworker. The Journeyworker must be in place on the project before an Apprentice is allowed. Then three additional Journeyworkers are needed before a second Apprentice is allowed. The last ratio repeats indefinitely. Therefore, three more Journeyworkers must be present before a third Apprentice can be hired, and so on.

Please call Apprentice Training Central Office at (518) 457-6820 if you have any questions.

Title (Trade)	Ratio
Boilermaker (Construction)	1:1,1:4
Boilermaker (Shop)	1:1,1:3
Carpenter (Bldg.,H&H, Pile Driver/Dockbuilder)	1:1,1:4
Carpenter (Residential)	1:1,1:3
Electrical (Outside) Lineman	1:1,1:2
Electrician (Inside)	1:1,1:3
Elevator/Escalator Construction & Modernizer	1:1,1:2
Glazier	1:1,1:3
Insulation & Asbestos Worker	1:1,1:3
Iron Worker	1:1,1:4
Laborer	1:1,1:3
Mason	1:1,1:4
Millwright	1:1,1:4

Holiday Codes

PAID Holidays:

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

OVERTIME Holiday Pay:

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays. The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

Following is an explanation of the code(s) listed in the HOLIDAY section of each classification contained in the attached schedule. The Holidays as listed below are to be paid at the wage rates at which the employee is normally classified.

NEW YORK STATE DEPARTMENT OF LABOR
Bureau of Public Work - Debarment List

**LIST OF EMPLOYERS INELIGIBLE TO BID ON OR BE
AWARDED ANY PUBLIC WORK CONTRACT**

Under Article 8 and Article 9 of the NYS Labor Law, a contractor, sub-contractor and/or its successor shall be debarred and ineligible to submit a bid on or be awarded any public work or public building service contract/sub-contract with the state, any municipal corporation or public body for a period of five (5) years from the date of debarment when:

- Two (2) final determinations have been rendered within any consecutive six-year (6) period determining that such contractor, sub-contractor and/or its successor has WILLFULLY failed to pay the prevailing wage and/or supplements;
- One (1) final determination involves falsification of payroll records or the kickback of wages and/or supplements.

The agency issuing the determination and providing the information, is denoted under the heading 'Fiscal Officer'. DOL = New York State Department of Labor; NYC = New York City Comptroller's Office; AG = New York State Attorney General's Office; DA = County District Attorney's Office.

Debarment Database: To search for contractors, sub-contractors and/or their successors debarred from bidding or being awarded any public work contract or subcontract under NYS Labor Law Articles 8 and 9, or under NYS Workers' Compensation Law Section 141-b, access the database at this link: <https://apps.labor.ny.gov/EDList/searchPage.do>

For inquiries please call 518-457-5589.
