

AGENDA – TOWN BOARD MEETING
April 28, 2022
7:30pm

PUBLIC HEARING – ACQUISITION OF DEVELOPMENT RIGHTS SBL# 17-1-69

REGULAR MEETING:

CALL TO ORDER
PLEDGE OF ALLEGIANCE
ROLL CALL

ACCEPTANCE OF MINUTES

- 1. Regular Meeting- April 14, 2022, 2022**
- 2. Public Hearing- Community Development 2023 Hud Grant Project Solicitation- April 14, 2022**
- 3. Public Hearing – To Consider Acquisition of Real Property – SBL # 113-4-2.12, 2.22 & 16 Bordering Glenmere Lake Approximately 95.77+/- Acres**

CORRESPONDENCE:

JIM LESHINSKI – Licensed Master Electrician. Letter to the Town requesting a refund of a withdrawn electrical permit.

DANIEL GIBSON – Building Inspector, Town of Warwick. Letter dated April 12, 2022 to the Town Board requesting a refund of payment for an electrical permit for SBL #46-1-29.1.

MICHAEL VILLAROSA – Orange County DOT. Copy of email dated April 20, 2022 to the Clerk informing the Town that the NYS DOT has received the Town’s correspondence and has assigned a Regional Traffic and Safety group for review and given a tracking # T22-009. They are investigating the concerns raised regarding reduction along Long Meadow Road in the Town of Warwick.

CARRIE CHRISTENSEN – Planning Assistant, Orange County Planning Department. Email dated April 12, 2022 to the Clerk regarding Orange County Municipal Planning Federation Scholarship/Internship. Candidates must be a resident of Orange County, New York, be enrolled in or pursuing a full-time Degree in one of the following subjects / disciplines: Geography; Urban, Regional, or Community Planning; Urban Design and/or Landscape Architecture; Architecture; Cartography / Geographic Information Systems (GIS); Civil Engineering and/or Surveying; Environmental Studies/Sciences; Public Administration; or a related field. Resumes are accepted by mail or email (preferred) until May 23, 2022 Email: cscali@orangecountygov.com or Mail address: Carrie Christensen Orange County Department of Planning 124 Main Street, Goshen NY 10924. Please Visit: www.orangecountygov.com/ocmpf for more information.

LISA CULHANE – Orange & Rockland Utilities, Inc. Email dated April 18, 2022 to the Clerk regarding Emergency contact information.

ALAN J. SORENSON – AICP Commissioner. Orange County Department of Planning. Letter dated April 19, 2022 to the Planning & Zoning Board regarding Referral of certain municipal permits and actions to County Planning as per NYS General Municipal Law §239 2, m&n.

PAUL WILEY – Assistant Director, County Director of Real Property Tax Services. Certification received April 21, 2022 confirming Cathy L. Conklin has attended the Board of Assessment Review Training.

MATTHEW MARICONI – Orange & Rockland. Email dated April 25, 2022 regarding UDIG NY for Excavator Certification. Hitting and damaging underground lines can result in death, injury, fines, arrests, property damage and a sizeable repair bill from O&R. Not to mention the inherent danger faced by your municipalities’ first responders. That’s why it’s important to hire trained professional excavators. We encourage you to consider qualifying your highway department and your contractors to become certified as well.

LUIS ABRAMSON – Founder-Cultivating Healing and Justice Initiative Support Services Inc. (CHJI) Email dated April 23, 2022 regarding Prostate Cancer Walk in the Village of Otisville to take place to raise awareness on Saturday, May 14, 2022. Registration begins at 9:30am at Veterans Memorial Park 23-79 Main Street, Otisville, New York. For more information, please visit www.chjiss.org .

HEATHER MORSE – Director of Civil Service, Orange County Dept. of Human Resource. Email to the Comptroller dated April 25, 2022 regarding external police officer test.

MEMO

RECEIVED

APR 19 2022

Town of Warwick
Town Clerk

To: Planning and Zoning Board Secretaries and Municipal Clerks

From: Alan J. Sorensen, AICP, Commissioner

Regarding: Referral of certain municipal permits and actions to County Planning as per
NYS General Municipal Law §239 l, m & n

Date: April 19, 2022

Dear municipal partners,

Thank you for participating in the planning process! As we enter our third year of the COVID-19 pandemic, Orange County Planning has made some changes to our submittal procedures; we would like to make you aware of those changes and what we are working on in general.

Submittal

County Planning would like to remind everyone of the responsibilities the municipalities and the County bear under NYS General Municipal Law §239 l, m & n (GML 239), which requires that certain actions be referred to County Planning for review before they are approved by the municipality. A copy of the law is attached for your information. GML 239 is intended to do two things: ensure that local boards are made aware of any potential intermunicipal or countywide impacts that could result from the approval of proposed land use decisions; and provide the local boards with technical planning assistance. Actions that need to be referred to this Department include:

1. updates to comprehensive plans, zoning codes, and other land use regulations;
2. subdivision, site plan, and special permit proposals;
3. appeals for area and use variances; and
4. other authorizations which a referring body may issue under the provisions of any zoning ordinance or local law

Items 2 through 4 above are only referable if proposals are within 500 feet of the following geographic features:

- a. a municipal boundary;
- b. a County or State road, existing or proposed;
- c. a County or State park or recreation area, existing or proposed;
- d. the boundary of any County or State-owned land on which a public building or institution is situated, existing or proposed;
- e. a farm operation located within the consolidated Orange County Agricultural District No. 1 (this provision does not apply to area variances)

Please also remember to send County Planning a Cover Sheet, and a Report of Final Action pursuant to paragraphs m and n of NYS GML 239. A copy of each document is attached; please use these versions, which are also available at <https://www.orangecountygov.com/328/Municipal-Referrals>.

As the effects of the pandemic linger, we have adjusted to more flexible ways to receive municipal submittals, as follows:

- Municipalities may, of course, continue to mail or hand-deliver their submittals to County Planning at Orange County Planning Department, 124 Main Street, Goshen NY 10924.
- Municipalities may choose to email their submittals. We ask that these emails be sent to the email LandUseProjects@orangecountygov.com, rather than directly to the Planner or to the main Planning Department email, just to ensure that everything gets tracked properly.
- Projects with large maps, plan sets or other documents such as Environmental Impact Statements should provide physical copies of the drawing sets to County Planning by mail or hand delivery. This can be coordinated by the assigned municipal planner or the Senior Land Use Planner, Megan Tennermann, AICP, at mtennermann@orangecountygov.com.

There have been several changes to the County referral process in recent years. The most important of these is a mandate, **Orange County Executive Action No. 4 of 2018**, which requires that prior to the issuance of any permit from the County Department of Public Works or the County Division of Environmental Health, those agencies shall coordinate with County Planning to ensure that any necessary GML 239 and State Environmental Quality Review Act (SEQRA) reviews have been completed for the proposed action. This order applies to:

- new realty subdivisions,
- individual sewage systems,
- public water supply improvements,
- new construction of food service,
- children's camps,
- sewer mainline,
- sewer lateral, and
- permit for work on a County road.

New Departmental Policies

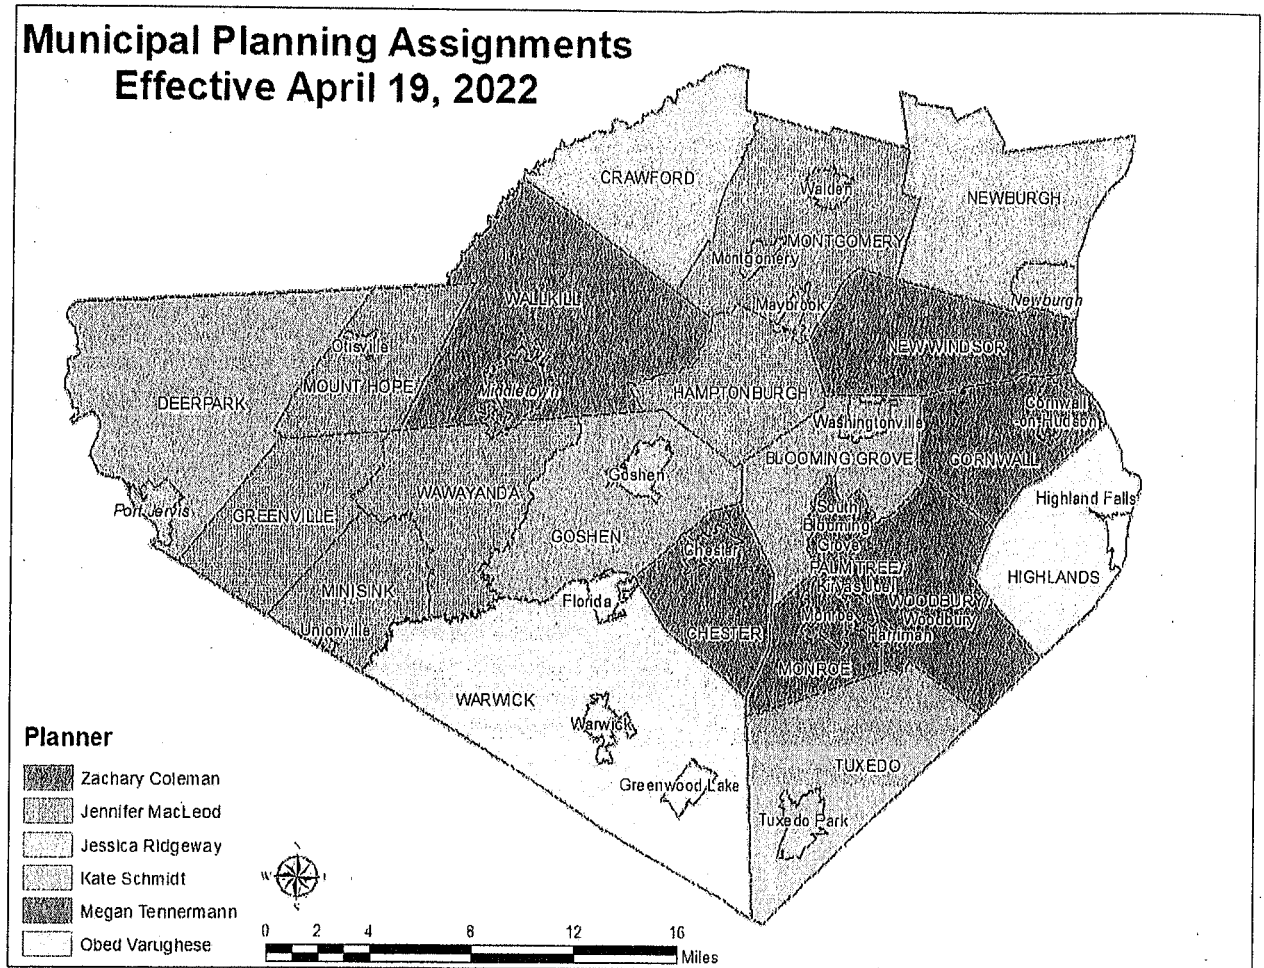

In 2018, the County Agricultural and Farmland Protection Board passed a resolution to preserve productive farmland for farming uses, which strongly recommends that solar installations should not be located on soils that are classed as Prime, Prime if Drained, Soils of Statewide Significance, or Black Dirt/Organic soils, which are roughly analogous to Soil Classes 1-4. While the referral process has not changed as a result of this action, we encourage the municipalities to consider adopting similar policies or otherwise taking soil type and agricultural concerns into account when siting large-scale solar installations.

Gateway Meetings

In 2021, County Planning began holding preliminary meetings when receiving a referral for the early stages of a large project. These "gateway meetings", including County Planning staff, the applicant and/or their agent, a representative of the municipality, and other relevant agency staff including but not limited to the County Health Department, County Department of Public Works, State Department of Transportation, State Department of Environmental Conservation, and others. We find that these gateway meetings at the beginning of a project are useful for the applicant and the municipality by raising issues early in the process, which allows the applicant to adjust the design or other parameters based on site constraints.

If your board has questions about the GML 239 process or about County land use policies, please read the Municipal Guidebook on our website:

<https://www.orangecounty.gov/DocumentCenter/View/20096/Municipal-Guide-to-GML-239-Process-03-01-21>. To discuss the content of any of our review letters or answer questions, please contact the planner assigned to your municipality (see diagram and chart, continued below and on following pages).

Subject: Emergency Contact Information
Attachments: Contact Form Municipalities Revised NW 5-13-19.docx; Contact Form Board revised 5-13-19.docx

Dear Municipal Official:

In an effort to ensure that Orange & Rockland Utilities / Rockland Electric Company has the most accurate and up to date emergency contact information for municipal officials, we are asking that you take a moment and complete the attached forms. We are requesting not only the e-mail address but emergency contact telephone numbers (both home and cell) so that we can reach you should an emergency arise after normal business hours. **This information is critical for O&R / RECO as we use the e-mail addresses as our means to communication during storm emergencies.**

Please return your completed legible information to me via email at culhaneL@oru.com by April 29, 2022. If you have no changes, respond to this email saying no changes. If changes occur throughout the year, please provide your updates to the e-mail address above or through your Regional & Community Affairs Manager.

The contact information you provide will remain confidential and be distributed to Orange & Rockland Utilities / Rockland Electric Company personnel for business use only.

Thank you for your attention to this matter.

PHONE: 845.615.3840 • FAX: 845.291.2533 • www.orangecountygov.com/ocmpf

FOR IMMEDIATE RELEASE: March 2022

INTERNSHIP OPPORTUNITY

Created in 1974, The Orange County Municipal Planning Federation (OCMPF) is a county-wide organization that provides educational programs and information on the purposes and techniques of planning, including zoning, land use, subdivision, State Environmental Quality Review Act (SEQRA), and other related subjects. Each year the OCMPF sponsors a *single* paid summer internship position, to work in conjunction with the staff support provided by the Orange County Department of Planning. Generally, the intern will work on a selected project or study chosen by the OCMPF, under supervision from staff at the Department of Planning; the internship concludes with a presentation of findings at an OCMPF Meeting. The Intern is also strongly encouraged to attend their local municipal land use board meetings throughout the internship. Generally, the OCMPF internship is configured as a full-time position (35 hours per week) lasting approximately six weeks, although this duration may vary given the type and nature of the work and the availability of the candidate.

Candidates Must:

- **Be a resident of Orange County, New York**
- **Be enrolled in or pursuing a full-time Degree in one of the following subjects / disciplines:**
Geography; Urban, Regional, or Community Planning; Urban Design and/or Landscape Architecture; Architecture; Cartography / Geographic Information Systems (GIS); Civil Engineering and/or Surveying; Environmental Studies/Sciences; Public Administration; or a related field.

Resumes are accepted by mail or email (preferred) until May 23, 2022

*The Orange County Municipal Planning Federation
Annual Edwin Garling Memorial Scholarship
Submission Deadline: May 23, 2022*

The Orange County Municipal Planning Federation's Edwin Garling Memorial Scholarship is an annual \$1000.00 offering for a High School Senior who has been accepted to a college and is enrolled in a program such as listed below. Ed played a vital role in the community as a past Commissioner of the Orange County Department of Planning and the founder of the Orange County Municipal Planning Federation. The scholarship is awarded annually, and a different candidate will be chosen each year. This award will be presented at the Orange County Association of Towns and Villages meeting on July 26, 2022, at a location to still be determined. Attendance at the Orange County Association of Towns and Villages meeting will be mandatory in order to accept the scholarship, if allowed and within COVID-19 guidelines.

Candidates Must:

- Be a resident of Orange County, New York
- Be enrolled in or pursuing a full-time Degree in one of the following subjects / disciplines:
Geography; Urban, Regional, or Community Planning; Urban Design and/or Landscape Architecture; Architecture; Cartography / Geographic Information Systems (GIS); Civil Engineering and/or Surveying; Environmental Studies/Sciences; Public Administration; or a related field.

Please complete the application and submit to the OCMPF Board at 124 Main Street Goshen, NY 10924. Any questions can be directed to Carrie Christensen at cscali@orangecountyny.gov or 845-615-3866.

I, Floyd T. DeAngelis, certify that I completed a 3-month record of activities for the term that began 11/2018 for my position as Town Counselor. I attest that the record of activities maintained for the above named term is still representative of my hours worked and that my responsibilities have not substantially or materially changed. My current term begins on 11/2022 and ends on 12/31/2025.

Town Clerk

Greetings Warwick Town Supervisor Mr. Sweeton and elected officials' body.

We hope you are doing well and in good spirits. In collaborations with, the Village of Otisville and thanks to Trustee Lance Davoren and elected body we are looking for your community involvement as we present our first Prostate Cancer awareness walk in Otisville N.Y. this coming May 14th, 2022, to be held at the Veterans Memorial Park. opportunity to raising awareness.

The following is an invitation to walk to raise awareness, with family, friends, and the community to support those families with a loved one experiencing Prostate Cancer at this very moment and we also walk to remember those that did not make it and for those that survive the disease.

Prostate cancer is a morbidity that impacts tens of thousands annually, of which includes our veterans, first responders, underserved minorities, the intellectual/developmental disability community, and men of all walks of life. The more prepared our communities are the better we will be able to support individuals impacted by this disease, as a survivor among survivors we know that after detection, effective medical care is vital to prevent and decrease the mortality rates statistically. We take the opportunity to thank you for your public service and support to us, we extend the invitation to each of the counsel men and the town clerk as well to join us and please share the email and we hope you guys can attend the event.

Together, we can make a difference. We hope to see you and meet you at the event. Thank you in advance for your support. This is a pet friendly event.

Respectfully,

Luis Abramson

Check for Excavator Certification

Hitting and damaging underground lines can result in death, injury, fines, arrests, property damage and a sizeable repair bill from O&R. Not to mention the inherent danger faced by your municipalities' first responders. That's why it's important to hire trained professional excavators. We encourage you to consider qualifying your highway department and your contractors to become certified as well.

The UDIG NY Certified Excavator Program in Safe Digging Best Practices has set a new standard for training New York State professional excavators in the proper procedures of excavation.

When a person has successfully completed the UDIG NY Certified Excavator Program (CEP) in Safe Digging Best Practices, they are certified by the one-call center for five (5) years*, demonstrating a fundamental understanding of the Safe Digging Best Practices that should be used for safe excavation in accordance with the Common Ground Alliance Best Practices and New York State Code Rule 753.

When you hire a contractor or new employee you can check the UDIG NY Training Verification site to see if they are qualified. Simply type in their individual or company name to get the latest certifications. You'll be glad you did.
