April 13, 2023

Michael Sweeton, Supervisor
Town of Warwick Town Board
132 Kings Highway
Warwick, NY 10924

Dear Supervisor Sweeton and Town Board Members:

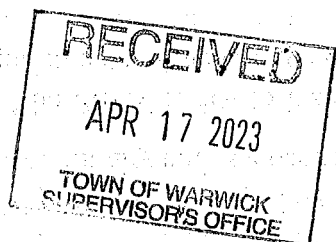

I write to you as the Commander of the Polish Legion of American Veterans, Post #16 ("PLAV") in Pine Island, New York.. The PLAV has been a long-standing pillar of the Pine Island Community and is a central and integral part of the area and its Veterans.

The PLAV needs to install a new septic system and leach filed in order to comply with the requirements of the Orange County Department of Health. This project will be very costly to the PLAV. However, it is necessary in order to preserve the PLAV, its facilities, memberships and permit the continued operation of the PLAV bar, rental hall and outdoor pavilion.

The bar and rentals are how the PLAV generates the income which allows it to continue their commitment to the ideals of patriotism, charity and volunteerism through allegiance to our Country, honor of our Country's standards and to aid in the rehabilitation of disabled veterans

With this correspondence, we are respectfully requesting that any and all building permit and inspection fees be waived by the Town of Warwick in connection with the preparation of plans and installation of the septic system and leach field.

Thank you for your consideration. We look forward to hearing from the Town Board with regard to our request.

Very Truly Yours,

Frank Rzczkowski, Commander
**POLISH LEGION OF AMERICAN
VETERANS POST #16**

Hello Friends and Neighbors,

As you are aware, the Greenwood Lake Commission works diligently every year to ensure that the lake is healthy and safe for the community. This year we are again focusing our spring efforts on raising funds in order to control the aquatic weed growth in the lake. It has been brought to our attention that many of our efforts have not reached our community, therefore We are happy to let you know, our Herbicides program has been extended! **We are extending to May 15, 2023.** Please click the link below if you are interested in helping us maintain a cleaner lake. We hope to see returning lakefront homeowners participate and contribute. Please click the link below for more information and the application for our NJ residents.

https://drive.google.com/file/d/1NuPYxzBH3_pZ-7G2DPQ0Cgx-K8seHoa/view

You can also access more information on our website: www.gwlc.org and click on the button "2023 NJ Aquatic Weed Control Herbicides Application"

Application is also attached.

You can also donate thru our PayPal account via our website. If you have questions, please feel free to email us at info@gwlc.org or call 973-506-7800. More information is also available on our website at www.gwlc.org.

GREENWOOD LAKE COMMISSION APPLICATION COSTS

Up to 1/2 acre is \$250.00

Up to 1 acre is \$325.00

When estimating your costs, if your application area falls between one of the examples, you must pay the higher cost. Example: If you have a 3/4 acre area, your cost is \$325.00. If your area is 1 1/2 acre, the cost is \$575.00 Rocky Point Cove Residents pay \$100.00. An acre is approximately 200' x 200' = 40,000 square feet.

Thank you for your concerns and interest in cleaning up our lake.

Please forward your APPLICATION, REQUIREMENTS, AND CHECK to:

Greenwood Lake Commissions
P.O. Box 93
Hewitt, NJ 07421

Make sure your check is made payable to: Greenwood Lake Commission
Payment can also be made via PayPal @ www.gwlc.org

GREENWOOD LAKE COMMISSION

Dear Concerned Residents and Friends,

As you are aware, the Greenwood Lake Commission works diligently every year to ensure that the lake is healthy and safe for the community. This year we are again focusing our spring efforts on raising funds in order to control the aquatic weed growth in the lake.

This year the commission is working hard to raise \$75,000 in order to be able to treat a larger area in the New Jersey section of Greenwood Lake. Therefore, we are asking all boaters, residents and community members who care about the lake to contribute to the commission to assist in these efforts.

As of now, our plan is to apply one application of herbicides to treat the weeds, approximately mid-May early June. The timing of the application depends on the weed growth and weather conditions.

This year the Greenwood Lake is also planning to do weed harvesting. The areas to harvest will depend on donations, plus what limited funds that are available to the GLC.

Please return your contribution payable to Greenwood Lake Commission by **May 1, 2023**. You can also donate thru our PayPal account via our website. If you have questions, please feel free to email us at info@gwlc.org or call **973-506-7800**. More information is also available on our website at www.gwlc.org.

On behalf of the Greenwood Lake Commission, we would like to thank you for your interest in improving the overall health and water quality of Greenwood Lake.

Please join us for our monthly meetings. The 4th Wednesday of each month @ 7pm via ZOOM or alternating locations at West Milford Library and the Senior Center in The Village of Greenwood Lake. See our calendar at www.gwlc.org for exact locations each month.

With warm regards,

Paul M. Zarrillo

GREENWOOD LAKE COMMISSION

Application Requirements

NAME:
ADDRESS:
Mailing Address (If different than above):

Block #	
Lot #	
Width of Property	
Distance Out To Be Applied (minimum 100')	
Approximate Well Depth	
Approximate Distance of Well from Shoreline	
Home Phone #	
Mobile Phone #	
E-mail address	
Acceptance Signature & Date	

IF YOUR DRINKING WATER OR IRRIGATION SYSTEM DRAWS WATER DIRECTLY FROM THE LAKE, YOU SHOULD NOT USE IT FOR FIVE (5) DAYS FOLLOWING APPLICATION.

Our area will be surveyed mid to late April, keeping an eye on early spring plant growth for treatment timing. Reward only controls plants that are present, so they want to have most of the milfoil present before treatment.

You can e-mail your application instead of mailing it: info@qvlc.org. Payment can be made via PayPal on our website or check through the mail: PO BOX 93 Hewitt, NJ 07421. If you have any questions, you can call 973-506-7800 or visit our website at: www.qvlc.org.

RFP-YB01-23 Funding for 2023 Balance

Addendum B

Dear Vendor:

RECEIVED
MAY 02 2023
Town of Warwick
Town Clerk

This amendment is to address questions for the above-mentioned RFP:

1. Q: We currently, help children in Orange County but will also be helping those in Dutchess. Should we only include numbers for the children in Orange County?

A: Only include the number for the children from Orange County. The funding would only be covering expenses for children from Orange County.

2. Q: On page 10 where I input the board members one section, says, specify, affiliation, or youth, under age 21. I'm not sure what you want to put here. We also currently do not have any employees, consultants or volunteers. It is run by the volunteer board members. do I have to list the board members on page 9 as well?

A: a. FOR NONPROFITS: "Affiliation" means what other organizations, nonprofits, clubs, etc. the person may have in connection with the program.

b. Volunteer board members would fit the "volunteers" category. As per the Instructions (Part I of III), 3.2 G: Complete each column including titles, who supervises that title, what qualifications/screenings are required, and what the specific job duties are for each title.

- **Column 1 Position/Title: Put "Volunteer Board Member" and specify if person holds a position, i.e., President/Chair, Vice President, Treasurer, etc.**
- **Column 2 Supervised By: List the title of the person(s) who will be supervising the volunteers**
- **Column 3 Position Qualifications and Screening Procedures: specify if volunteers need specific qualifications and/or screening**
- **Column 4 Job Duties: List the job duties each volunteer will be performing**

Subject: Second Set of Hazardous Waste Events for 2023 to be held at OCTS #3 on Jun. 2 for Schools, Businesses, Municipalities, Farms & at PJHS on Jun. 3 for O.C. Residents
Attachments: 2023 HHW Event Flyer - PJHS (Port Jervis).pdf; 2023 Port Jervis TS CESQG Registration Form.pdf; CHESI W-9 2021.pdf; 2023 HHW Event Flyer - PJHS (Port Jervis).jpg

To Whom It May Concern:

We are pleased to announce the second of four sets of Hazardous Waste and Safe Scripts Collection Events in 2023, which will take place in the City of Port Jervis on **Friday, June 2** and **Saturday, June 3**. The Friday, June 2 event is for or School Districts, Municipalities, Businesses, and Farms, or otherwise known as Conditionally Exempt Small-Quantity Generators (CESQGs). This event will take place at Orange County Transfer Station #3 (aka "Port Jervis Transfer Station") located at 86 Tow Path Road in Port Jervis.

All CESQGs ***MUST*** pre-register for the **Friday, June 2nd** event at Orange County Transfer Station #3 (aka "Port Jervis Transfer Station") by **NO LATER THAN C.O.B. FRIDAY, MAY 19**. If you have acceptable materials (Wet Latex/Water Based Paints are now accepted) and are interested in participating, please complete both pages of the attached registration form and email to esiljkovic@orangecountygov.com, or send via fax to (845) 291-4570. These forms can also be found on the website at <https://www.orangecountygov.com/449/Household-Hazardous-Waste>.

IMPORTANT INSTRUCTIONS

On your registration, please articulate the QUANTITY of each material you plan on bringing - specifically the number of containers and volume of each container - on the first page, and on the second page please include the AGGREGATE WEIGHT of said materials. NOTE: Unsigned registrations and registrations containing over 220 lbs. of materials will be rejected.

Your registrations will be sent to our vendor, Clean Harbors, who will then provide a quote based on your submission during the week before the event, providing you time to process purchase orders or checks. The vendor's W-9 form is also attached for those who may need to add Clean Harbors as a payee in your system.

O.C. Resident Event - **PLEASE NOTE NEW END TIME**

Also, attached is a PDF & JPEG of the flyer for the Saturday, June 3 event for residents. Registration is not required; however, commercial quantities of materials will not be accepted. Please note that this event will take place from 9 AM to 1 PM. Please help spread the word!

Your adherence to the above procedures help make these events possible. We are looking forward to working with you to continue keeping toxic materials out of the environment and recovered, recycled, or disposed of, in the best manner possible.

CONDITIONALLY EXEMPT SMALL QUANTITY GENERATOR CERTIFICATION

I hereby certify that I am a generator of hazardous waste within the State of New York and that because of the small volume of hazardous waste generated and/or stored, I qualify for conditionally exempt small quantity generator status.

I understand that in order for conditionally exempt small quantity generator status, I must meet all three of the following conditions:

1. Generate less than 1 kg/month (2.2 pounds) of acute hazardous waste (as defined by 6 NYCRR Part 371), and never store more than this amount on site at any time; and
2. Generate less than 100 kg/month (220 pounds) of all other hazardous waste (as defined by 6 NYCRR Part 371), and never store more than 1000 kg/month on site at any time.
3. Self-transport a maximum of 220 lbs of hazardous waste at one time.

Only if I am a farmer, I realize that I may store up to 1000 kg. (2200 pounds) of non-acute hazardous waste pesticides on my farm without losing my conditionally exempt status, provided that these wastes are brought to a household hazardous waste collection program.

I further understand that if, in the future, I exceed the quantity limitations described above, I will become subject to additional regulation as a hazardous waste generator and will no longer be eligible to participate in this type of collection program.

I certify that I have the authority to make these statements on behalf of my farm or business. Also, I, the undersigned, do hereby certify that the items brought for collection came from my farm or business located in Orange County.
