Supervisor Sweeton – tonight we had continued the public hearing from the August meeting on the proposed cell tower at the complex that the Town Water District resides in at the former Mid-Orange County Correction Facility. We did inform the applicants that the comments from our professionals, the Engineer and the Planner just received them today, so there was no point in having the applicant appear. We are going to continue our public hearing until the September 27<sup>th</sup> meeting at which time they will have a chance to respond to any comments that were being made about that cell tower.

**ADJOURN PUBLIC HEARING:** Motion Councilman DeAngelo, seconded Councilman Gerstner that the public hearing be adjourned until the September 27<sup>th</sup> meeting.  
Motion Carried (5 ayes, 0 nays) 7:35 p.m.
